

Curriculum VitaeBiographical Information:

Name: Daniel Karel Resnick

Mailing Address:

Department of Neurological Surgery
University of Wisconsin School of Medicine
600 Highland Ave.
Rm. K4/834
Madison, WI
Phone: (608) 263-1411
Fax: (608) 263-1728

Education:

A.B., 1987 (Psychology) (Summa Cum Laude)	Princeton University Princeton, NJ
M.D., 1991 (Alpha Omega Alpha)	University of Pennsylvania School of Medicine Philadelphia, Pennsylvania
M.S., 1997 (Neuroscience)	University of Pittsburgh Pittsburgh, Pennsylvania

Current Position:

Professor and Vice Chairman for Academic Affairs 2012-present
Residency Program Director
Department of Neurological Surgery
Professor, Department of Orthopedics and Rehabilitation Medicine
Co-Director, Neurosurgery Spine Surgery Program
University of Wisconsin School of Medicine and Public Health
Madison, Wisconsin

Other Employment History:

Assistant Professor,	1998-2003
Associate Professor	2003-2011
Department of Neurological Surgery and Department of Orthopedics and Rehabilitation University of Wisconsin School of Medicine Madison, Wisconsin	
Staff Neurosurgeon:	1998 to present
University of Wisconsin Hospital and Meriter Hospital Madison, Wisconsin	
Consulting Neurosurgeon	1998 to present
William H. Middleton VAH Madison, Wisconsin	
Consulting Neurosurgeon	2015 to present
University of Wisconsin Rehabilitation Hospital Madison, Wisconsin	
Consulting Neurosurgeon	1998 through 2015
St. Mary's Hospital Madison, Wisconsin	
Captain- Lieutenant Colonel	1993-2012
United States Army Reserve MC	(Honorable Discharge, 2012)
Staff Neurosurgeon	2006- 2007
William Beaumont Army Medical Center El Paso, Texas	
Resident in Neurological Surgery	1992 to 1998
University of Pittsburgh Medical Center Pittsburgh Pennsylvania Chairmen: Peter J. Jannetta, MD, L. Dade Lunsford, MD	
Rotating Spine Resident	1997
University of New Mexico Hospital Albuquerque, New Mexico Chairman: Edward C. Benzel, MD	
Associate Staff, Emergency Medicine	1995 - 1997
Forbes Regional Hospital Monroeville, Pennsylvania	

Internship in General Surgery 1991 - 1992
 Pennsylvania Hospital
 Philadelphia, Pennsylvania
 Chairman: David L. Paskin, MD

Honors:

UW Health Patient Safety Leadership Award, March, 2024
 Meritorious Service Award, AANS/CNS Joint Section on Disorders of the Spine, March, 2020
 Art Steffee Honored Guest Lecturer, Cleveland Clinic Spine Review, July, 2019
 Steve Halton Jr. Lecturer, Cleveland Clinic Spine Review, July, 2019
 Sonntag Lecturer, American Association of Neurological Surgeons Meeting, May, 2018
 Medical Education Award, University of Wisconsin School of Medicine and Public Health, 2018
 Inaugural Peter J. Jannetta Lecturer, Pittsburgh, PA, April, 2018
 Fager Lectureship, Lahey Clinic, Boston, MA, January, 2017
 Best Presentation (Steel Balls) Award, Pittsburgh Spine Summit, September, 2015
 Spine Leadership Award, Becker's Spine Review, June, 2015
 Stewart Dunsker Award (Outstanding spine paper award) American Association of Neurological Surgeons, May, 2015 (Neuropoint SD Lumbar Disc Herniation)
 Outstanding Paper Award, AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, 2015 (Neuropoint SD return to work)
 Ved Sachdev Endowed Lecturer, Mount Sinai Medical Center, May, 2013
 Outstanding Paper Award (Basic Science), The Spine Journal, North American Spine Society, October, 2010
 Whitcomb Lecture Award, New England Neurosurgical Society, June, 2009
 Citation for Medical Student Teaching, University of Wisconsin Medical School Neuroscience Course, 2007-2008, 2008-2009, 2009-2010, 2010-11, 2011-12
 AANS Nominee for the "Special Achievement Award of the Bone and Joint Decade," 2006.
Best Doctors in America (Top 4% of specialty nominated by national survey of colleagues), Bestdoctors.com, 2002- 2020
Best in Healthcare, 2016, American Health Council Top 100 Providers in Wisconsin
America's Top Surgeons (Consumer Research Council of America) 2008-2012
America's Top Physicians (Consumer's Research Council of America) 2004-2010
 Named in "UW Hospital and Clinics Best Doctors," In Business: Madison, 2003
 Dean's Teaching Award, University of Wisconsin, 2002
America's Top Doctors Castle Connolly, 2002-2018, 2020-21
 First Place Poster Award, Joint Section on Trauma, September, 2000
 Van Wagenen Fellowship, First Alternate, 1998
 University of Pittsburgh Neurosurgical Resident's Teaching Award, 1997
 International Neurotrauma Society, Young Investigator Award, 1997
 University of Pittsburgh Neurosurgical Trauma Paper Award, 1997
 ACS Committee on Trauma, Resident's Paper Competition, Second Place, PA, 1995
 Alpha Omega Alpha, University of Pennsylvania School of Medicine, 1991
 Summa cum laude, Princeton University, 1987
 Howard Crosby Warren Senior Prize in Psychology, Princeton University, 1987

Military Service Awards

National Defense Service Medal with Bronze Star
 Global War on Terrorism Service Medal
 Army Service Ribbon
 Armed Forces Reserve Medal

Professional Associations:

Alpha Omega Alpha Honorary Medical Society, member 1991 to present
 American Academy of Neurological Surgery, member, 2011-present
 American Association for the Advancement of Science, member, 1998 to 2001
 American Association of Neurological Surgeons, member, 1993 to present
 Congress of Neurological Surgeons, member 1991 to present
 Dane County Medical Society, member 1999 to present
 Joint Section on Neurotrauma and Critical Care, member 1997 to present
 Joint Section on Spine and Peripheral Nerves, member 1998 to present
 North American Spine Society, member 1999 to present
 Oosec Society, member 1998-present
 Princeton University Neurosurgical Society, member 1995 to present
 Society for Neuroscience, member 2001 to 2003
 Society of Neurological Surgeons, member, 2007- present
 State Medical Society of Wisconsin, member 1999 to present
 Thomas Bond Society, member 1992 to present
 Wisconsin Neurosurgical Society, member 1999 to present

Professional Activities:National and International Leadership and Service:

Member, Sergeant at Arms Committee, CNS, 1993, 1994, 1995, 1996, 1997, 1998, 2002
Member, Host Committee, CNS, San Francisco, 1995
Member, Registration Committee, CNS, 1997, 1999
Member, AANS Publications Committee, April, 1999 to 2001
Member, AANS/CNS Joint Section on Spine and Peripheral Nerves Guidelines Committee.
 October, 1999 to present.
Member, Scientific Program Committee (abstract review), CNS Annual Meeting, San Antonio,
 TX, September, 2000.
Member, Poster Awards Subcommittee, CNS Annual Meeting, San Antonio, TX, September,
 2000.
Member, AANS/CNS Joint Section on Spine Committee on Spinal Cord Injury, 2000-2002
Member, Scientific Program Committee, Joint Section on Disorders of the Spine and Peripheral
 Nerves, for meeting in Phoenix, AZ, 2001

Chairman, Poster Awards Subcommittee, Joint Section on Disorders of the Spine and Peripheral Nerves, for meeting in Phoenix, AZ, 2001

Member, Outcomes Committee, AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, 2001

CME Liaison, AANS/CNS Joint Section on Disorders of Spine and Peripheral Nerves Executive Committee, 2001-2002

Member, Scientific Program Committee, AANS/CNS Joint Section on Spine, 2001-2002

Member, Ad Hoc Committee on Undergraduate Neurosurgical Education, Council of State Neurosurgical Societies 2001-2003

Moderator, Plenary Session at the Congress of Neurological Surgeons Meeting, 2001

Member at Large, Executive Committee, Congress of Neurological Surgeons, 2001 to 2004

Member, Scientific Program Committee, Congress of Neurological Surgeons, 2001

Member, AANS/CNS Joint Section Subcommittee, 2001-2002

Co-Chairman, Sergeant at Arms Committee, Congress of Neurological Surgeons, 2002

Chairman, Resident Committee, Congress of Neurological Surgeons, 2001-2002

Chairman, Exhibits, Marketing, and Public Relations Committee, Congress of Neurological Surgeons, 2002-2004

Chairman, Scientific Program Committee, AANS/CNS Joint Section on Disorders of Spine and Peripheral Nerves Executive Committee, February 2002-2003

Member, Scientific Program Committee, Congress of Neurological Surgeons, 2002

Chairman, Guidelines Committee, AANS/CNS Joint Section on Spine and Peripheral Nerves 2002-2005

Member, Fellowship Committee, Congress of Neurological Surgeons, 2002-2006

Chairman, Annual Meeting, AANS/CNS Joint Section on Disorders of Spine and Peripheral Nerves Executive Committee, February 2003-2004

Member, Scientific Program Committee, Congress of Neurological Surgeons, 2003

Member, Abstract Review Committee, Congress of Neurological Surgeons, 2003

Member, Guidelines Committee, North American Spine Society, 2003-2006

Member, Task Group on Clinical Guidelines Workgroup, North American Spine Society, 2003-2006

Editor, Young Neurosurgeons's Directory, CNS, 2003-2004

Member, Scientific Program Committee (Abstract Review) American Association of Neurological Surgeons, 2004

Member, Annual Meeting Committee, Congress of Neurological Surgeons, 2004

Member, Education Committee, Congress of Neurological Surgeons, 2004-2006

Member, CMS Spine Fusion Task Force, AANS/CNS/Spine Section/Washington Committee, 2004

Member, Cervical Spine Study Group, Multidisciplinary study group for the study of cervical spine, 2004-2007

Member, Spine Trauma Study Group, Multidisciplinary study group for the study of spine and spinal cord injury, 2004-2007

Member, Steering Committee, Consortium for Spinal Cord Medicine, Multidisciplinary study group supported by the Paralyzed Veterans of America for the development of practice guidelines for the treatment of spinal cord injured patients, 2004 to present.

Panelist, Neurobiology Merit Review Subcommittee, Department of Veteran's Affairs, 2004.

Chairman, Education Committee, Congress of Neurological Surgeons, 2004-2007

Member, Ex Officio, Executive Committee, Congress of Neurological Surgeons, 2004-2007

Member, Committee for the Enhancement of Neurosurgical Research, 2004-2006

Member, Publications Committee, Congress of Neurological Surgeons, 2004-2006

Member, Strategic Planning Committee, Congress of Neurological Surgeons, 2004-2007

Member, Extra-Mural Subspecialty Item Writing Committee, American Board of Neurological Surgeons, 2005-2007

Secretary, AANS/CNS Section on Disorders of the Spine and Peripheral Nerves, 2005-2008

Member, AANS/CNS Washington Committee Quality Improvement Committee, 2005-2010

Chairman, AANS/CNS Section on Spine Committee on Quality Improvement, 2005- 2010

Expert Advisor, Medicare Advisory Committee Task Force on vertebroplasty and kyphoplasty, May 2005.

Member, Evidence Based Guidelines and Practice Committee, North American Spine Society, 2004-2010

Chairman, Natural History Study Group, North American Spine Society Guidelines for the Treatment of Lumbar Stenosis, 2006-2007

CME Liaison, Scientific Program Committee, Congress of Neurological Surgery, 2005-present

Member, Performance Measures Task Force, North American Spine Society, 2005-2008

Member, Spring Break Program Committee, North American Spine Society, 2005-2006

Participant, Understanding ACCME Accreditation Workshop, Chicago, December, 2005

Panelist, Department of Veterans Affairs Scientific Merit Review, 2006

Vice Chairman, AANS/CNS Quality Improvement Workgroup, 2006-2007

Chairman, AANS/CNS Quality Improvement Workgroup Committee on Performance Measures, 2006-present

AANS/CNS Representative, American Medical Association Physicians Consortium for Performance Improvement (Representing AANS), 2006-2007

Member, Scientific Program Committee, AANS/CNS Joint Section on Disorders of the Spine, 2006-2007

AANS/CNS Representative, Medicare Advisory Committee Taskforce on Lumbar Fusion, November, 2006

Guest Examiner, American Board of Neurological Surgeons, May, 2007

AANS Reviewer, American College of Occupational and Environmental Medicine (ACOEM) Guidelines, 2007

Chairman elect, AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, 2007-2008

Co-Chairman, Lumbar Fusion Task Force, North American Spine Society, AANS, CNS, Spine Section, AAOS, SRS, 2007-2010

Senior Advisor, Education Committee, Congress of Neurological Surgeons, 2007-2008

Member, CNS Project Coordinating Committee, 2007-2008

Member, American College of Physicians and American Pain Society Clinical Guidelines Project Work Group on Interventional and Surgical Therapies for Low Back Pain, 2007-2008

Chairman, Ad Hoc Committee on Hypothermia and Spinal Cord Injury. AANS/CNS Joint Section on Disorders of the Spine, 2007.

Chairman, AANS/CNS Quality Improvement Workgroup, 2007-2010

Member, AANS/CNS Joint Guidelines Committee, 2007-2010

Participant, Congress of Neurological Surgeons Educational Leadership Summit, New York, NY, 2008

Member, Scientific Program Committee, North American Spine Society, 2008
Chairman, North American Spine Society Guidelines Committee Workgroup on Antithrombotic Prophylaxis in Spine Surgery: Complications and Risk Benefit Analysis, 2008-2009
Member, National Committee on Quality Assurance Workgroup on Quality Reporting Initiative, 2008-2009
Chairman, AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, 2008-2009
Treasurer, Congress of Neurological Surgeons, 2008-2011
Member, Ex Officio, American Association of Neurological Surgeons Board of Directors, 2008-2009
Member, Outcomes Committee, Society of Neurological Surgeons, 2008- present
Chairman, Clinical Research and development Committee, North American Spine Society, 2008-2011
Member, Board of Directors, North American Spine Society, 2008-2011
Chairman, Committee for General Scientific Sessions, Scientific Program Committee, Congress of Neurological Surgeons, 2008-2009
Representative, AANS/CNS to the American College of Radiology Imaging Appropriateness Panel, 2008-2009
Member, Expert Panel, Blue Cross Blue Shield Spine Centers of Distinction, 2008-2009
Treasurer, Congress of American Neurosurgical Education, 2009-2012
Member, Registry Committee, North American Spine Society, 2008-2011
Immediate Past Chairman, AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, 2009-2010
Member, Value Based Spine Care Committee, North American Spine Society, 2009-2012
Member, Ad hoc Committee for Policy/Procedure for Payer Policy Responses, AANS/CNS Joint Section on Disorders of the Spine, 2009-2010
Member, Membership Committee, Society of Neurological Surgeons, 2009-2012
Member, Congress of Neurological Surgeon's Scientific Program Committee, General Scientific Session Advisor, 2009-2010
Member, Nominating Committee, North American Spine Society, 2010-2011
Member, AANS Scientific Program Committee, Abstract Review, 2010
Member, NASS Ad hoc Vertebroplasty Comment Work Group, 2009-2010
Member, Executive Council, American Association of Neurological Surgeons Neurosurgical Research and Education Fund, 2009-2012
Member, Review and Recommendation Oversight Committee, North American Spine Society, 2009-2012
Member, ex officio, AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, Executive Committee, 2010-2011
Guest Examiner, American Board of Neurological Surgeons, May, 2010
Member, Planning Committee CSP#583, XStop versus Laminectomy for Treatment of Lumbar Stenosis. 2010-2011
Member, AANS Scientific Program Committee, Abstract Review, 2011
Chairman, Undergraduate Education Committee, Society of Neurological Surgeons, 2010-2012
Member, North American Spine Society Spine Executive Forum, 2010-2013
Member, Performance Measures Committee, North American Spine Society, 2010-2013
Chairman, Registry Committee, North American Spine Society, 2010- present

Director, Research Council, North American Spine Society, 2010-2013
Representative, AHRQ Registry of Patient Registries, 2010-2011
Member, AANS Spine Promotion and Advocacy Task Force, 2010-2011
Member, Scientific Advisory Committee, N2QOD (AANS/NPA sponsored registry project), 2010-2011
Member, Scientific Program Committee, North American Spine Society, 2011
Member, Scientific Advisory Board, Orthopedic Research and Education Foundation, American Association of Orthopedic Surgeons, 2011-2012
Member, ex officio, AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, Executive Committee, 2011-2012
Member, Blue Cross Blue Shield Advisory Committee, North American Spine Society, 2011-12
Member, Nominating Committee, North American Spine Society, 2011-2012
Vice President, Congress of Neurological Surgeons, 2011-2012
Chairman, Membership Committee, Society of Neurological Surgeons, 2011-2012
Member, Congress of Neurological Surgeons Conflict of Interest Resolution Committee, 2011-2012
Member, Scientific Advisory Board, Clinical Research in Spine Foundation (OREF/NREF merger for clinical research in spinal disorders), 2011-present
Chairman, AANS/CNS Joint Guideline Committee Ad Hoc Committee for review of cervical spine injury guidelines, 2011-2012
Member, NFL Head Neck and Spine Medical Committee, 2011-present
Member, Search Committee for Congress of Neurological Surgeons Executive Director, 2012
Member, Philanthropy Committee, Congress of Neurological Surgeons, 2012-14
Chairman, North American Spine Society Guidelines Committee, Surgical Management of Lumbar Disc Herniation Workgroup, 2011-2012
Member, ex officio, AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, Executive Committee, 2012-2013
Member, Clinical Spine Research Foundation Advisory Council, 2012-present
President Elect, Congress of Neurological Surgeon, 2012-2013
Chairman, Strategic Planning Committee, Congress of Neurological Surgeons, 2012-2013
Member, AANS/CNS Washington Committee, 2012-2014
Member, Portal Committee, Congress of Neurological Surgeons, American Association of Neurological Surgeons, Society of Neurological Surgeons, American Board of Neurological Surgeons, 2012-2016
Chairman, Board of Directors, Congress of Neurological Surgeons Foundation, 2012-2013
Member, Grants Committee, Collaborative Spine Research Foundation, 2012-present
Member, Grant Review Committee, American Institute of Biological Sciences on behalf of the United States Army Medical Research and Material Command, 2013
Reviewer, ECRI Technology Review on Electrical Bone Growth Stimulation for Cervical Fusion, 2013
AANS Representative, AANS/CNS Legislative Fly In, Washington, DC, July, 2013
AANS Representative, Combined Societies Spine Summit, Chicago, IL, August, 2013
President, Congress of Neurological Surgeons, 2013-2014
Director, Research Council, North American Spine Society, 2013-2015 (re-appointment)
NASS Representative, FDA Spine Device Forum, Washington, DC, June, 2014

AANS Representative, Alliance for Specialty Medicine Legislative Fly In, Washington, DC, July, 2014

AANS Representative, Spine Summit, Bur Ridge IL, August, 2014

Past President, Congress of Neurological Surgeons, 2014-2015

Secretary, North American Spine Society, 2014-2015

Chairman, Professional Conduct Committee, Congress of Neurological Surgeons, 2014-2015

Chairman, Awards Committee, Congress of Neurological Surgeons, 2014-2015

Member, Nominating Committee, Congress of Neurological Surgeons, 2014-2015

Director, Congress of Neurological Surgeon's Foundation, 2014-2015

Member, Abstract Review Committee, NASS Spine Across the Sea, 2015

Member, Abstract Committee, NASS Annual Meeting, 2015

Member, SNS, AANS, CNS Portal Executive Committee, 2014-2017

Chairman, Nominating Committee, Congress of Neurological Surgeons, 2015-2016

Chairman, Ad Hoc Committee on CSNS Relationship with EC, Congress of Neurological Surgeons, 2015

NASS Representative, Spine Summit, Washington, DC, May, 2015

NASS Representative, Alliance for Specialty Medicine Legislative Fly In, Washington DC, July, 2015

NASS Representative, Patient Centered Outcomes Research Institute: Improving Spine Care, September, 2015

Second Vice President, North American Spine Society, 2015-2016

NASS Representative, Alliance for Specialty Medicine Fly-In, Washington, DC, July, 2016

NASS Representative, FDA Stakeholder Forum, Washington, DC, July, 2016

NASS Representative, Spine Summit, Chicago, August, 2016

Director, American Board of Neurological Surgeons, 2016-2022

NASS Representative, Alliance for Specialty Medicine Fly-In, Washington, DC, July, 2017

Co-Chair, Credentials Committee, American Board of Neurological Surgeons, 2016-2018

Member, Written Board Question Writing Committee, American Board of Neurological Surgeons. 2016-2022

Chairman, Written Board Question Writing Committee, American Board of Neurological Surgeons. 2018-2020

Member, Oral Boards Examination Committee, American Board of Neurological Surgeons, 2016-2022

Chairman, North American Spine Society Guidelines Committee for Management of Low Back Pain, Diagnosis Work Group, 2015-2019

First Vice President, North American Spine Society, 2016-2017

NASS Representative, Alliance for Specialty Medicine Fly-In, Washington, DC, July, 2018

President, North American Spine Society, 2017-2018

Immediate Past President, North American Spine Society, 2018-2019

Member, North American Spine Society Guidelines Committee for Management of Thromboembolic Events, 2019-present

Member, Scientific Program Committee, American Academy of Neurosurgeons, 2021-2024

Secretary, American Board of Neurological Surgeons, 2020-2022

Chairman, Scientific Program Committee, American Academy of Academic Neurosurgeons, 2023-2024

Member, ACGME Residency Review Committee for Neurological Surgery, 2023-2029

Chairman, Spinal Cord Injury Guidelines Committee, AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, 2025-2027

National and International Education:

“Faculty” or “Instructor” indicates that I was invited to speak at a course but was already attending the meeting and was not reimbursed or paid an honorarium.

“Moderator” indicates that I was invited to run a scientific session but did not prepare an independent scientific presentation or select the speakers.

“Course Director” means that I was in charge of developing the course, inviting faculty, and running the course on site.

“Invited Speaker and faculty” indicates that I was invited to a course to speak, was reimbursed for travel, and received an honorarium.

“Honored Guest” indicates that I was an invited speaker specifically asked to deliver a keynote plenary session presentation as a focus of the meeting.

Resident Instructor, “Microvascular Decompression” Course, Pittsburgh, PA, 1995

Resident Instructor, American Association of Neurological Surgeons “Practical Spine Course,” Albuquerque, NM, 1997

Faculty, Congress of Neurological Surgeons Practical Course “Lumbosacral fusion: cages, dowels, and pedicle Screws,” Boston, 1999

Faculty, AANS/CNS Section on Spine Practical Course “Lumbar Instability and Fusion: Diagnosis, Patient Selection, Treatment Outcomes.” Palm Springs, CA., February, 2000

Faculty, AANS/CNS Section on Spine Practical Course “Spine 2000,” Palm Springs, CA., February, 2000

Faculty, American Association of Neurological Surgeons Course “Basics of Spinal Stabilization, Fusion, and Instrumentation for Residents,” San Francisco, CA., April, 2000

Faculty, American Association of Neurological Surgeons Course “Thoracic and Lumbar Stabilization and Fusion,” San Francisco, CA., April, 2000

Invited Speaker and Faculty, 12th International Spine and Peripheral Nerve Workshop, Bethesda, MD, June, 2000

Faculty, Congress of Neurological Surgeons Course “Lumbosacral fusion techniques,” San Antonio, TX, September, 2000

Faculty, Congress of Neurological Surgeons Course “Spinal cord injury management,” San Antonio, September, 2000

Faculty, AANS/CNS Joint Section of Spine “Fundamentals of Spine Surgery,” February, 2001.

Faculty, American Association of Neurological Surgeons Course, “Basics of Spinal Stabilization, Fusion, and Instrumentation,” April, 2001.

Faculty, American Association of Neurological Surgeons course, “Thoracolumbar Instrumentation and Fusion.” April, 2001.

Faculty, American Association of Neurological Surgeons course, “Cervical spine instability: instrumentation & other methods of management.” April, 2001

Faculty, Congress of Neurological Surgeons Course, “Lumbosacral fusion: cages, dowels, and screws.” September 29, 2001, Washington, DC.

Faculty, Congress of Neurological Surgeons Course, “Spinal cord injury management: standards and new advances.” October 1, 2001, Washington, DC

Course Director, Fundamentals of Spine Surgery, AANS/CNS Spine Section, February, 2002.

Faculty, Cutting Edge Spine Technologies: The Present and Future, AANS/CNS Course, February 26, 2002

Faculty, Thoracic and Lumbar Stabilization and Fusion, American Association of Neurological Surgeons Course, April 7, 2002.

Faculty, Basics of Spinal Stabilization, American Association of Neurological Surgeons Course, April 7, 2002.

Faculty, Cervical Spine Instability: Instrumentation and Other Methods of Management. AANS Course, April 7, 2002.

Faculty, Spinal Cord Injury: Recent Insights into the Management, American Association of Neurological Surgeons Course, April 11, 2002.

Invited Speaker and Faculty, Spine Review, Hands On. Cleveland Clinic Foundation, May, 2002.

Course Director, Cervical and Lumbar Interbody Techniques, Medtronic Course, Sun River, OR, July, 2002

Faculty, Lumbosacral Fixation Techniques, Congress of Neurological Surgeons Meeting, September, 2002

Faculty, Spinal Cord Injury Management, Congress of Neurological Surgeons Meeting, September, 2002

Invited Speaker and Faculty, Global Spine, Spinal Science Advancement Foundation, Laguna Niguel, CA, October, 2002

Moderator, Plenary Session at the Congress of Neurological Surgeons Meeting, 2002

Faculty, Spinal Deformity and Its Correction, AANS/CNS Spine Section Course, Tampa, FL, March, 2003

Faculty, Cervical and Lumbar Interbody Fusion Techniques, AANS/CNS Spine Section Course, Tampa, FL, March, 2003

Faculty, Modern techniques and future trends in interbody fusion techniques, American Association of Neurological Surgeons practical course, 2003

Faculty, Thoracic and lumbar stabilization and fusion: indications and complications. American Association of Neurological Surgeons practical course, 2003

Faculty, Occipitocervical fixation techniques, American Association of Neurological Surgeons practical course, 2003

Faculty, Management of Spine Trauma, American Association of Neurological Surgeons Plenary session, 2003

Invited Speaker and Faculty, Cleveland Hands on Spine Course, Cleveland, OH, August, 2003

Course Director and Faculty, Emerging Technologies in Spinal Surgery, Congress of Neurological Surgeons Practical Course, 2003

Faculty, Mastering spinal disorders: dealing with complexities. Congress of Neurological Surgeons Practical course, 2003

Faculty, Master Surgeon Series: Cervical Spine Surgery, AANS/CNS Spine Section Course, March, 2004

Faculty, Thoracic and lumbar stabilization and fusion. American Association of Neurological Surgeons Special course, April, 2004

Faculty, Modern techniques and future trends in lumbar interbody fusion. American Association of Neurological Surgeons Special course, May, 2004.

Faculty, Lumbar case presentations, American Association of Neurological Surgeons plenary session, May, 2004

Faculty, Cervical Spine Study Group, Chicago, IL, May, 2004

Invited Speaker and Faculty, Cleveland Hands on Spine Course, Cleveland, OH, May, 2004

Invited Speaker and Faculty, International Spine and Peripheral Nerve Workshop, Bethesda, MD, June, 2004

Co-Course Director, "Guidelines Development in Spinal Surgery." North American Spine Society, Chicago IL, August 13, 2004.

Course Director, "Surgical Arthrodesis of the Cervical Spine." Practical course, Congress of Neurological Surgeons Meeting, October, 2004

Course Director, "Emerging Technologies in Thoracic and Lumbar Stabilization." Practical course, Congress of Neurological Surgeons Meeting, October, 2004

Faculty, CNS Luncheon Seminar "Spinal fusion: biochemical and biomechanical approaches." Congress of Neurological Surgeons Meeting, October, 2004

Faculty, CNS Luncheon Seminar "Intra-operative salvage techniques: Getting out of trouble in spinal surgery." Congress of Neurological Surgeons Meeting, October, 2004

Faculty, CNS Plenary Session, Special Course on Trauma "Timing of surgical decompression following acute spinal cord injury." Congress of Neurological Surgeons Meeting, October, 2004

Course Director, Special Interest Group on guidelines for the performance of lumbar fusion, North American Spine Society, October, 2004

Visiting Professor, University of Utah Department of Neurosurgery, Salt Lake City, UT, December, 2004

Honored Guest, Rachidian Society Meeting, Kona, HI, January, 2005.

Course Director, Cervical Spine Focus Group, Memphis, TN, February, 2005

Faculty, Special Course II, Spinal Cord Injury Advances and Controversies, AANS/CNS Section on Spinal Disorders, Phoenix, AZ, March, 2005

Course Director, Guidelines for the Performance of Lumbar Fusion, AANS/CNS Joint Section on Spine, Phoenix, AZ, March, 2005

Faculty, Special Course III, Controversies in Spinal Surgery, AANS/CNS Joint Section on Spine, Phoenix, AZ, March, 2005.

Faculty, Biology of Bone Healing, AANS/CNS Joint Section on Spine, Phoenix, AZ, March, 2005

Faculty, Surgical Arthrodesis of the Cervical Spine, AANS Special Course, Orlando, FL, April, 2005

Faculty, Surgical Arthrodesis of the Lumbar Spine, AANS Special Course, Orlando, FL, April, 2005

Faculty, Modern Management and Emerging Trends in Spinal Cord Injury, AANS Seminar, Orlando, FL, April, 2005.

Course Director, Cervical Spine Study Group, Phoenix, AZ, May, 2005

Invited Speaker and Faculty, Midwest Neurosurgical Society Meeting, Iowa City, IA June, 2005.

Invited Speaker and Faculty, International Spine and Peripheral Nerve Workshop, Bethesda, MD, June, 2005

Invited Speaker and Faculty, Cleveland Hands On Spine, July, 2005

Course Director, Cervical Spine Arthrodesis. Practical Course, Congress of Neurological Surgeons, Boston, MA, September, 2005

Course Director, Anatomical and Biomechanical Considerations in Thoracic and Lumbar Arthrodesis. Practical Course, Congress of Neurological Surgeons Meeting, Boston, MA, September, 2005

Faculty, Plenary Session on Disorders of the Spine, Congress of Neurological Surgeons Meeting, Boston, MA, September, 2005

Faculty, Evidence Based versus Eminence Based Medicine, North American Spine Society, Philadelphia, AP, September, 2005

Visiting Professor, University of Southern California, Los Angeles, CA . August 26, 2005

Moderator, Complications in Spinal Surgery, North American Spine Society, Philadelphia, September, 2005

Moderator, Biomechanics of Spine Surgery, Cervical Spine Research Society, San Diego, December, 2005

Course Director and Moderator, University of Wisconsin Brainstem and Spinal Cord Neuroscience Course, Madison, November, 2005

Course Director and Faculty, North American Spine Society Evidence Based Medicine Workshop, Chicago, November, 2005.

Faculty, Management of Trigeminal Neuralgia, North American Skull Base Society, February, 2006

Faculty, AANS/CNS Section of Disorders of the Spine Board Review Course, Orlando, March, 2006

Faculty, Controversies in spine surgery. AANS/CNS Section of Disorders of the Spine, plenary session, March, 2006.

Faculty, Thoraco-lumbar Stabilization and Fusion Techniques. AANS Practical Course, San Francisco, April, 2006

Faculty, Modern Techniques and Future Trends in Lumbar Interbody Fusion. AANS Practical Course, San Francisco, April, 2006

Faculty, Cervical Spine Instability: Instrumentation and Other methods of Management. AANS Practical Course, San Francisco, April, 2006

Faculty, Management of Traumatic Spinal Cord Injury. AANS Breakfast Seminar, San Francisco, April, 2006

Invited Speaker and Faculty, AANS Boards Review Course, Houston, May, 2006

Honored Guest, Hands on Spine Course, Aichi, Japan, May, 2006

Honored Guest, Japanese Society of Spinal Surgery, Kanazawa, Japan, May, 2006

Invited Speaker, Kushiro Spine Center, Kushiro, Japan, May, 2006

Invited Speaker and Faculty, International Spine and Peripheral Nerve Workshop, Bethesda, June, 2006

Honored Guest, Rocky Mountain Neurosurgical Society Meeting, Sedona, AZ, June, 2006

Invited Speaker and Faculty, Cleveland Spine Review, July, 2006

Course Director, CNS Practical Course “Evidence Based Neurosurgery.” Chicago, October, 2006

Course Director, CNS Practical Course “Surgical Arthrodesis of the Cervical Spine.” Chicago, October, 2006

Faculty and Moderator, CNS Luncheon Seminar “Vertebroplasty and Kyphoplasty.” Chicago, October, 2006

Faculty and Moderator, CNS Luncheon Seminar “Lumbar Fusion- What the Literature Supports” Chicago, October, 2006

Faculty, CNS Special Course on Pay for Performance, Chicago, September, 2006

Faculty, CNS General Session, Advocacy through innovation and critical review. Chicago, September, 2006

Practice Mentor, James Leech, William Beaumont Army Medical Center, El Paso, TX, October 2006-January, 2007.

Faculty, Cervical Spine Research Society Instructional Course, West Palm Beach, FL, December, 2006

Visiting Professor, Louisiana State University Health Sciences Center, Shreveport, LA, January, 2007

Invited Speaker and Faculty, Mayfield Clinic Winter Clinics for Cranial and Spinal Surgery, Aspen, CO, February, 2007

Invited Speaker and Faculty, Inter-Urban Neurosurgical Society, Chicago, IL, March, 2007

Course Director, Boards Review in Spinal Neurosurgery. AANS/CNS Joint Section on Spine, Phoenix, March, 2007.

Faculty, AANS/CNS Joint Section on Disorders of the Spine, Plenary Session, Phoenix, AZ, March, 2007.

Invited Speaker and Faculty, CNS Members Think Tank, Chicago, IL, March, 2007.

Faculty, Cervical Spine Instability: Instrumentation and other methods of management. AANS Practical Course, Washington, DC, April, 2007

Course Director, Modern Techniques and Future Trends in Lumbar Interbody Fusion, AANS Practical Course, Washington, DC, April, 2007

Faculty, Thoracic and Lumbar Stabilization and Fusion. AANS Practical Course, Washington, DC, April, 2007

Faculty, Lumbar Spine Fusion: Indications, Patient Selection, and Current Techniques. AANS Breakfast Seminar, Washington, DC, April, 2007

Faculty, Cervical Disc Disease: Current Treatment Options. AANS Breakfast Seminar, Washington, DC, April, 2007

Faculty, Modern Management of Spinal Cord Injury. AANS Breakfast Seminar, Washington, DC, April, 2007

Faculty, Cervico-Thoracic Spine Surgery, Meet the Experts. AANS Breakfast Seminar, Washington, DC, April, 2007

Faculty, Plenary Session on Disorders of the Spine and Peripheral Nerves, American Association of Neurological Surgeons Meeting, Washington, DC, April, 2007

Invited Speaker and Faculty, Bethesda Hands on Spine Course, Bethesda, MD, May, 2007

Visiting Professor, Rush University School of Medicine, May, 2007

Honored Guest, South African Spine Society, Durban, South Africa, June, 2007

Invited Speaker and Faculty, Cleveland Spine Review, July, 2007

Course Director, Techniques and Technologies in achieving arthrodesis/stabilization of the cervical spine. Congress of Neurological Surgeons Practical Course, San Diego, September, 2007.

Course Director, Neurosurgery 2007: Literature Review. Congress of Neurological Surgeons Practical Course, San Diego, September, 2007.

Faculty, Operative Colloquium: Masters of Neurosurgery. Congress of Neurological Surgeons Practical Course, San Diego, September, 2007.

Faculty, Consensus Conference, on Education. Congress of Neurological Surgeons, San Diego, September, 2007.

Faculty, Enhancing Spinal Fusion: Biomechanical and Biochemical Approaches. Congress of Neurological Surgeons Luncheon Seminar, San Diego, September, 2007.

Invited Speaker and Faculty, McClean Conference on Surgical Ethics. Chicago, November, 2007.

Visiting Professor, Brigham and Women's Hospital Dept. of Neurosurgery, Harvard Medical School Boston, MA, November, 2007

Honored Guest, Academie Brasileira de Neurocirurgia, Brasilia, BZ, November, 2007

Visiting Professor, Thomas Jefferson University Hospital, Department of Neurosurgery, Philadelphia, PA, February, 2008

Faculty, Controversies in Spinal Surgery, AANS/CNS Section on Disorders of the Spine Annual Meeting, Orlando, FL, March, 2008

Faculty, Minimally Invasive and Outpatient Techniques in Spinal Surgery, AANS/CNS Section on Disorders of the Spine Annual Meeting, Orlando, FL, March, 2008

Faculty, Revision Surgery and Complication Avoidance, AANS/CNS Section on Disorders of the Spine Annual Meeting, Orlando, FL, March, 2008

Course Director, Current and Future Trends in Lumbar Interbody Fusion. American Association of Neurological Surgeons, Chicago, IL, April, 2008

Faculty, Quality and Efficiency Measures in an Action Plan. American Association of Neurological Surgeons, Chicago, IL, April, 2008

Faculty, Biologics for the Spine. American Association of Neurological Surgeons, Chicago, IL, April, 2008

Faculty, Management of subacute and chronic traumatic spinal cord injury. American Association of Neurological Surgeons, Chicago, IL, April, 2008

Moderator, General Scientific Session on Disorders of the Spine, American Association of Neurological Surgeons, Chicago, IL, April, 2008

Invited Speaker and Faculty, Bethesda Hands on Spine Course, Bethesda, MD, April, 2008

Faculty, The University of Wisconsin Program, Society on Neurological Surgeons Meeting, Madison, WI, May, 2008

Honored Guest, Japanese Spine Society, June 12-14, Matsushima, Japan, 2008

Invited Speaker and Faculty, Cleveland Spine Review, Cleveland, OH, July, 2008

Honored Guest, Croatian Society of Neurological Surgeons, Dubrovnik, Croatia, Sept, 2008

Course Director, Techniques and Technology in Achieving Spinal Arthrodesis/Stabilization of the Cervical Spine. Practical Course, Congress of Neurological Surgeons Meeting, Orlando, September, 2008.

Course Director, Neurosurgery 2008: Literature review. Practical Course, Congress of Neurological Surgeons Meeting, Orlando, September, 2008.

Faculty, Operative Colloquium: Master's of Neurological Surgery. Practical Course, Congress of Neurological Surgeons Meeting, Orlando, September, 2008.

Faculty, Enhancing Spinal Fusion. Congress of Neurological Surgeons Meeting, Orlando, September, 2008.

Faculty, Surgical Intervention for the Lumbar Spine: What the Literature Supports. Congress of Neurological Surgeons Meeting, Orlando, September, 2008.

Faculty, Integrated Medical Learning Session: State of the Evidence in Spinal Surgery. Congress of Neurological Surgeons Meeting, Orlando, September, 2008.

Faculty, Integrated Medical Learning Session: Failed Back Surgery Syndrome and Neuro-modulation. Congress of Neurological Surgeons Meeting, Orlando, September, 2008.

Visiting Professor, University of Michigan Dept. of Neurosurgery, October, 2008

Faculty, Evidence Based Spine Surgery, North American Spine Society, Toronto, October, 2008

Honored Guest, The Mexican Society of Neurosurgery Third International Congress, Los Cabos, Baja California, Mexico, November, 2008

Invited Speaker and Faculty, AANS/CNS Joint Section on Disorders of the Spine, Phoenix, March, 2008

Invited Speaker and Faculty, 21st Annual Bethesda Spine Workshop, April, 2009

Faculty, Management of Cervical Spinal Instability and Deformity, Practical Course, American Association of Neurological Surgeons Meeting, San Diego, CA, May, 2009

Faculty, Update on Spinal Surgery for the Practicing Neurosurgeon, Practical Course, American Association of Neurological Surgeons Meeting, San Diego, CA, May, 2009

Faculty, Biologics for the Spine, Breakfast seminar, American Association of Neurological Surgeons Meeting, San Diego, CA, May, 2009

Faculty, Quality and Efficiency measures in Neurosurgery: An Action Plan. American Association of Neurological Surgeons Meeting, San Diego, CA, May, 2009

Moderator, General Scientific Session on Disorders of the Spine, American Association of Neurological Surgeons, San Diego, CA, May, 2009

Honored Guest, III Jornada de Neurologia, Neurocirurgia e Coluna Vertebral II Encontro da Sociedade de Neurosirurgia de Mato Grosso. Cuiaba, Brazil, May, 2009.

Visiting Professor, University of California, San Francisco, June, 2009

Honored Guest, New England Neurosurgical Society, June, 2009

Invited Speaker and Faculty, Complications in Spinal Surgery, Jackson Hole, WY, August, 2009

Invited Speaker and Faculty, Spine Trauma Update (NASS), Chicago, IL, October, 2009

Course Director, Spinal surgery: indications and techniques. Practical course, Congress of Neurological Surgeons Meeting, New Orleans, October, 2009

Moderator, Defining Excellence in Neurosurgery, Plenary Session, Congress of Neurological Surgeons Meeting, New Orleans, October, 2009

Faculty, CNS Neurosurgical Forum, Congress of Neurological Surgeons Meeting, New Orleans, October, 2009

Faculty, Quality Measures in Medicine: Past, Present, and Future. Congress of Neurological Surgeons Meeting, New Orleans, October, 2009

Moderator, Digital master's Video Symposium, Congress of Neurological Surgeons Meeting, New Orleans, October, 2009

Invited Speaker and Faculty, AANS Hands on Spine Review for Residents, Chicago, IL, November 2009

Faculty, Spinal Deformity Evaluation and Management. North American Spine Society Special Course, San Francisco, November, 2009

Faculty, Guidelines in Spinal Surgery- Their Role in Patient Care and Advocacy. North American Spine Society, Plenary Session, San Francisco, November, 2009

Invited Speaker and Faculty, Stabilization of the cervical spine, Cervical Spine Research Society Hands on Course, St. Louis, MO, January, 2010

Faculty, Government and Societal Influences on Spinal Surgery. AANS/CNS Joint Section on Disorders of the Spine Meeting, Orlando, FL, February, 2010

Moderator and Discussant, Scientific Session 1, AANS/CNS Joint Section on Disorders of the Spine Meeting, Orlando, FL, February, 2010

Invited Speaker and Faculty, 46th Annual Orthopedic Symposium: Spine Care in the 21st Century: Evidence, Ethics, and Accountability- The New Paradigm. Dallas, TX, April, 2010

Visiting Professor, University of Rochester Dept. of Orthopedic Surgery, Rochester, NY, April, 2010

Course Director and Faculty, Practical Course, Evaluation and Management of Degenerative Deformity in the Lumbar Spine, American Association of Neurological Surgeons, Philadelphia, May, 2010

Discussant, Oral Platform Presentations, Plenary Session, American Association of Neurological Surgeons, Philadelphia, May, 2010

Faculty, Lumbar Spine Fusion, Breakfast Seminar, American Association of Neurological Surgeons, Philadelphia, May, 2010

Faculty, Management of Spondylolisthesis, Breakfast Seminar, American Association of Neurological Surgeons, Philadelphia, May, 2010

Course Director, Comparative Effectiveness research in Spinal Disorders: Why it is worthwhile. Combined Societies Task Force on Lumbar Fusion Meeting, Madison, WI, July 2010

Visiting Professor, Loyola University Chicago Stritch School of Medicine, Chicago, IL, September, 2010

Visiting Professor, Cornell University Weill Medical Center, New York, NY, October, 2010

Faculty, Value Based Spine Care, North American Spine Society, Orlando, October, 2010

Faculty, Fundamentals of Evidence Based Medicine Part 1: Asking answerable questions. North American Spine Society, Orlando, October, 2010

Faculty, Fundamentals of Evidence Based Medicine Part 2: Critically appraising the literature. North American Spine Society, Orlando, October, 2010

Faculty, General Session IV: Cases and Coffee with the Masters. Congress of Neurological Surgeon's Meeting, San Francisco, October, 2010

Faculty, Guidelines for the performance of fusion procedures for degenerative disease of the lumbar spine, Congress of Neurological Surgeon's Meeting, San Francisco, October, 2010

Faculty, Implementing and utilizing the new degenerative cervical spine practice guidelines in everyday practice. Congress of Neurological Surgeon's Meeting, San Francisco, October, 2010

Course Director, Practicing in the Era of Health Care Reform, Congress of Neurological Surgeon's Meeting, San Francisco, October, 2010

Moderator, General Session IV: Cases and Coffee with the Masters. Congress of Neurological Surgeon's Meeting, San Francisco, October, 2010

Invited Speaker and Faculty, Fundamentals in Spinal Surgery for Residents, AANS Course at Spine Master's Institute, Chicago, IL, November, 2010

Honored Guest, Fourth Annual Kuwaiti-American Neurosurgical Forum, Kuwait City, December, 2010

Invited Speaker and Faculty, The Surgical Management of Spinal Disorders, Beaver Creek, CO, January, 2011

Invited Speaker and Faculty, 6th Annual Evidence and Technology Summit, Park City, Utah, February, 2011

Honored Guest, Texas Association of Neurological Surgeons, Dallas, TX, February, 2011

Faculty, Spine Surgery in the Era of Evidence Based Care, AANS/CNS Joint Section on Disorders of the Spine, Phoenix, March, 2011

Mentor, Andreas Kuzmin, North American Spine Society Visiting Fellow, 2011

Faculty, Lumbar Fusion Indications and Techniques. American Association of Neurological Surgeon's Meeting, Denver, CO, April, 2011

Faculty, The Management of Incidental Findings. American Association of Neurological Surgeon's Meeting, Denver, CO, April, 2011

Faculty, Management of Spondylolisthesis. American Association of Neurological Surgeon's Meeting, Denver, CO, April, 2011

Faculty, Quality and Registry Reporting in Spinal Surgery. American Association of Neurological Surgeon's Meeting, Denver, CO, April, 2011

Course Director and Faculty, Evidence Based Spine Care, North American Spine Society Course, Chicago, IL, May, 2011

Invited Speaker and Faculty, Cervical Spine Surgery- Hands On. North American Spine Society practical course, May, 2011

Invited Speaker and Faculty, Cleveland Spine Review, Cleveland, OH, July, 2011

Invited Speaker and Faculty, Minimally Invasive Neurosurgery Society, Mackinac Island, MI, July, 2011

Honored Guest, Asia Spine, Fukuoka, Japan, September, 2011

Honored Guest, Atlantic Neuroscience Institute, Morristown, NJ, September, 2011

Invited Speaker and Faculty, Temple Spine Symposium, Philadelphia, PA, September, 2011

Faculty, Update on Clinical practice Guidelines for Neurosurgeons. Congress of Neurological Surgeon's Meeting, Washington, DC, October, 2011

Moderator and Discussant, General Session 1. Congress of Neurological Surgeon's Meeting, Washington, DC, October, 2011

Faculty, Management of Cervical Myelopathy. Congress of Neurological Surgeon's Meeting, Washington, DC, October, 2011

Course Director and Faculty, Evidence Based Spine Care, North American Spine Society Course, Chicago, IL, October, 2011

Honored Guest, Spine Society of Viet Nam, Ho Chi Min Spine Society, Ho Chi Min City, Vietnam, December, 2011

Invited Speaker and Faculty, Council of State Neurosurgical Societies Northeast Quadrant meeting, Stowe, VT, January, 2012

Visiting Professor, Albany Medical Center, Albany, NY, February, 2012

Invited Speaker and Faculty, Evidence and Technology in Spine Summit, Park City, Utah, February, 2012

Visiting Professor, University of Calgary Department of Neurological Surgery, March, 2012

Faculty, Comparative Effectiveness Research in Spine Surgery, AANS/CNS Joint Section on Disorders of the Spine, Orlando, March, 2012

Moderator, Plenary session, AANS/CNS Joint Section on Disorders of the Spine, Orlando, March, 2012

Course Director, Evidence Based Guidelines for Lumbar Fusion Surgery, AANS/CNS Joint Section on Disorders of the Spine, Orlando, March, 2012

Discussant, General Session, AANS/CNS Joint Section on Disorders of the Spine, Orlando, March, 2012

Faculty, Spine Section General Session, American Association of Neurological Surgeons Meeting, Miami, April, 2012

Faculty, Management of Incidental Findings in Spinal Surgery, American Association of Neurological Surgeons Meeting, Miami, April, 2012

Faculty, Comparative Effectiveness Research. Breakfast Seminar, American Association of Neurological Surgeons Meeting, Miami, April, 2012

Faculty: Lumbar Fusion. Breakfast Seminar, American Association of Neurological Surgeons Meeting, Miami, April, 2012

Course Director, Evidence based medicine practical course, North American Spine Society, Burr Ridge, IL, April, 2012

Honored Guest, Jahrestagung der DGNC Sektion Wirbelsaule, Cologne, Germany, September, 2012

Visiting Professor, Case Western Reserve, Cleveland, OH, September, 2012

Faculty, Desperate Intraoperative Moments, Congress of Neurological Surgeons Meeting, Chicago, IL, October, 2012

Faculty, Management of Cervical Myelopathy, Congress of Neurological Surgeons Meeting, Chicago, IL, October, 2012

Moderator, Plenary Session, Congress of Neurological Surgeons Meeting, Chicago, IL, October, 2012

Course Director, Evidence based medicine. North American Spine Society, Dallas, TX, October, 2012

Faculty, Registry reporting in spine care. North American Spine Society, Dallas, TX, October, 2012

Moderator, Research Awards. North American Spine Society, Dallas, TX, October, 2012

Visiting Professor, University of Florida, Gainesville, November, 2012

Honored Guest, Brazilian Spine Society, February, 2013

Faculty, AANS/CNS Joint Section on Disorders of the Spine, Plenary Session, Phoenix, AZ, March, 2013

Faculty, Congress of Neurological Surgeons Maintenance of Certification Course, Phoenix, March, 2013

Moderator, Food and Drug Administration Spine Device Forum, Washington, DC, March, 2013

Invited Speaker and Faculty, Lahey patient centered outcome assessment symposium- what matters most to actual patients? Boston, MA, March, 2013

Faculty, American Association of Neurological Surgeons Meeting, Quality Improvement and Reporting, April, 2013

Honored Guest, Michigan Neurosurgical Society, Traverse City, MI, May, 2013

Course Director, North American Spine Society Evidence Based Medicine, Chicago, IL, May, 2013

Visiting Professor, Mount Sinai School of Medicine, New York, NY, May, 2013

Invited Speaker and Faculty, Where is Spine Care Going? Strategies for the provider, producer, and investor. Johns Hopkins School of Medicine, Baltimore, May, 2013

Faculty and Moderator, Congress of Neurological Surgeons Lumbar Fusion Webinar, September, 2013

Faculty, Quality and Value in Neurosurgery, Congress of Neurological Surgeons Meeting, San Francisco, October, 2013

Faculty, Editors Choice Awards, Congress of Neurological Surgeons Meeting, San Francisco, CA, October, 2013

Faculty, Guidelines for Lumbar Fusion, Congress of Neurological Surgeons Meeting, San Francisco, October, 2013

Course director and Faculty, Evidence Based Medicine in Spine Care, North American Spine Society, New Orleans, October, 2013

Faculty, Minimally invasive Spine Surgery, North American Spine Society, New Orleans, October, 2013

Faculty, Registries and Comparative Effectiveness Research, North American Spine Society, New Orleans, October, 2013

Moderator, Bone Morphogenetic Protein- What Now? North American Spine Society, New Orleans, October, 2013

Honored Guest, Neurosurgical Society of India, Mumbai, December, 2013

Course Director and Faculty, Complications in Spine Surgery, Congress of Neurological Surgeons and Scoliosis Research Society, Jackson Hole, January, 2014

Invited Speaker and Faculty, Cervical Spondylotic Myelopathy Research Meeting, Washington, DC, January, 2014

Faculty, Guidelines and Outcomes in Spine Surgery, AANS/CNS Joint Section on Disorders of the Spine Meeting, Orlando, FL, March, 2014

Faculty, Advocacy in Spine Surgery, AANS/CNS Joint Section on Disorders of the Spine Meeting, Orlando, FL, March, 2014

Honored Guest, Israeli Neurosurgical Society, Tel Aviv, March, 2014

Honored Guest, Young Neurosurgeon's Committee Luncheon, American Association of Neurological Surgeons Meeting, San Francisco, April, 2014

Course Director and Faculty, Registries and Comparative Effectiveness Research. Breakfast seminar, American Association of Neurological Surgeons Meeting, San Francisco, April, 2014

Faculty, Evidence Based Guidelines for Lumbar Fusion, Congress of Neurological Surgeons Meeting, Boston, MA October, 2014

Presiding Officer, General Scientific Session I, Congress of Neurological Surgeons Meeting, Boston, MA October, 2014 (Introduction of the Congress)

Faculty, General Scientific Session II, Congress of Neurological Surgeons Meeting, Boston, MA October, 2014 (Presidential Address)

Faculty, General Scientific Session III, Congress of Neurological Surgeons Meeting, Boston, MA October, 2014 (Interview with Philip Glass)

Course Director and Faculty, Evidence Based Medicine in Spine Care, North American Spine Society Meeting, San Francisco, CA, November, 2014

Faculty, Management of peri-operative pain. North American Spine Society Meeting, San Francisco, CA, November, 2014

Honored Guest, Georgia Neurosurgical Society, December, 2014

Visiting Professor, Lennox Hill Hospital, NY, December, 2014

Course Director and Faculty, CNS Spine Complications Course, Lake Tahoe, NV, January, 2014

Honored Guest, Souixland Neurosurgical Summit, Phoenix, AZ, February, 2015

Faculty, Plenary Session, AANS/CNS Joint Section of Disorders of the Spine, Phoenix, AZ, March, 2015

Faculty, CNS MOC Course, Phoenix, AZ, March, 2015

Faculty, Guidelines and Policy, AANS/CNS Joint Section of Disorders of the Spine, Phoenix, AZ, March, 2015

Moderator, NASS FDA Symposium, Washington DC, May, 2015

Invited Speaker and Faculty, Comparative Effectiveness Research In Spine Surgery, Harvard Symposium sponsored by PCORI, Boston, MA, June, 2015

Faculty, NASS Webinar, Cervical Spondylosis, June, 2015

Faculty, Cleveland Hands on Spine, July, 2015

Invited Speaker, North Shore Hospital Symposium on Intraoperative Monitoring, July, 2015

Invited Speaker and Faculty, Pittsburgh Spine Summit, Nemaquin Woodlands, September, 2015

Faculty, Practical Course: Clinical Guidelines Development: A Primer on the Development and Review of Clinical Practice Guidelines. Congress of Neurological Surgeons Meeting, New Orleans, September 2015

Faculty, Controversies in Neurosurgery. Congress of Neurological Surgeons Meeting, New Orleans, September 2015

Faculty, Luncheon Seminar: Guidelines for Lumbar Spine Disease. Congress of Neurological Surgeons Meeting, New Orleans, September 2015

Faculty, Minimally Invasive Spine Surgery. North American Spine Society Meeting, Chicago, October, 2015

Faculty, Fundamentals of Evidence Based Medicine, North American Spine Society Meeting, Chicago, October, 2015

Faculty, Cervical Spine Stabilization, North American Spine Society Meeting, Chicago, October, 2015

Faculty, Choosing the Correct Outcomes Measures for the Lumbar Spine. North American Spine Society Meeting, Chicago, October, 2015

Visiting Professor, Department of Neurosurgery, Brigham and Women's Hospital, Harvard Medical School, October, 2015

Keynote Speaker, Kluwer Symposium, University of Chicago, January, 2016

Course Director and Faculty: Crossing the Chasm: Critical Review for Spine Surgeons. Park City, UT, February 2016

Faculty, NASS Spine Technology Update, Park City, UT, February, 2016

Faculty, AANS/CNS Joint Section on Disorders of the Spine, Scientific Session VII, Current Challenges in Legislative Advocacy for Spine Care. Orlando, March 2016

Faculty, CNS Maintenance of Certification Course, Orlando, March, 2016

Faculty, CAST Fellowships, Society of Neurological Surgeons, Indianapolis, June, 2016

Faculty, North American Spine Society Spine Summit, Chicago, IL, August, 2016

Keynote Speaker, Korean Spine Society, Seoul, Korea, September, 2016

Faculty, Guidelines for the performance of lumbar fusion. Congress of Neurological Surgeons Meeting, September, 2016

Faculty, Quality Improvement in Neurosurgery. Congress of Neurological Surgeons Meeting, September, 2016.

Faculty, What is NASS Doing for You? North American Spine Society Meeting, October, 2016

Examiner, ABNS Oral Board Examination. Houston, November, 2016

Visiting Professor, Wang Lectureship, University of Miami, December, 2016

Fager Lecturer, Lahey Clinic, Boston, January, 2017

Course Director, Spine Complications Course, Congress of Neurological Surgeons, January, 2017

Faculty, NASS Evidence and Technology Summit, Park City, February, 2017

Faculty, Ahead of the Curve: Quality, Patient Reported Outcomes, and Registries. AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, Las Vegas, NV, March, 2017

Faculty, Quality and Healthcare Quality Breakout Session. AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, Las Vegas, NV, March, 2017

Faculty, Ahead of the Curve, Transformative Innovations in Spine Surgery. AANS/CNS Joint Section on Disorders of the Spine and Peripheral Nerves, Las Vegas, NV, March, 2017

Faculty, Cranial cervical junction. AANS Practical course, Los Angeles, CA, April, 2017

Examiner, ABNS Oral Board Examination, Houston, May, 2017

Faculty, Fusion Guidelines Update, Congress of Neurological Surgeons Plenary Session, Boston, October, 2017

Faculty, Management of Failed Back Surgery- Stimulation versus Surgery. Congress of Neurological Surgeons Dinner Seminar, Boston, October, 2017

Faculty, Evolution of Outcomes Reporting in Spine. North American Spine Society, Orlando, October, 2017

Keynote Speaker, Belgian Spine Symposium, Brussels, November, 2017

Examiner, ABNS Oral Board Examination, Phoenix, November, 2017

Visiting Professor, New York University, New York, December, 2017

Course Director, From Base to Summit, Complication Avoidance in Spine Surgery, Park City, February, 2017

Visiting Professor, Ohio State University Department of Neurosurgery, February, 2018

Faculty, Evidence and Technology in Spine. Park City, February, 2018

Faculty, Hot Topic Debates, AANS/CNS Joint Section on Disorders of the Spine, Orlando, March, 2018

Faculty, Mentorship Symposium, AANS/CNS Joint Section on Disorders of the Spine, Orlando, March, 2018

Faculty, Cahill Controversies Session, AANS/CNS Joint Section on Disorders of the Spine, Orlando, March, 2018

Keynote Speaker, BritSpine, Leeds, UK, March, 2018

Visiting Professor, Northwestern University School of Medicine, April, 2018

Visiting Professor, University of Pittsburgh Department of Neurological Surgery, April, 2018

Keynote Speaker, Jannetta Symposium, University of Pittsburgh, April, 2018

Faculty, Spine Surgery in the Elderly Population, AANS Practical Course, New Orleans, April, 2018

Faculty, Minimally Invasive Spine Surgery, AANS Practical Course, New Orleans, April, 2018

Faculty, Sonntag Lectureship, American Association of Neurological Surgeons, New Orleans, May, 2018

Presidential Address, Plenary Session, North American Spine Society, Los Angeles, September, 2018

Faculty, Complications in Spinal Surgery, Congress of Neurological Surgeons, Practical Course, Houston, October, 2018

Faculty, Plenary Session: Patient Selection in Spinal Surgery, Congress of Neurological Surgeons, Houston, October, 2018

Keynote Speaker, Belgian Spine Society, Brussels, November, 2018

Faculty, CNS Spine Complications Course, Park City, February, 2019

Faculty, NASS Evidence and Technology Meeting, Park City, February, 2019

Faculty, Plenary Session, AANS/CNS Joint Section on Spine and Peripheral Nerves, Miami, March, 2019

Visiting Professor, Wake Forest University, Winston Salem, NC, March, 2019

Faculty, Benzel Symposium, AANS, San Diego, April, 2019

Visiting Professor, Medical College of Wisconsin, June, 2019

Visiting Professor, Dept. of Neurosurgery, University of Buffalo, August, 2019

Faculty, Complication Avoidance in Spinal Surgery, North American Spine Society, Boston, September, 2019

Course Director, Complication Management in Spinal Surgery, Congress of Neurological Surgeons, San Francisco, October, 2019

Faculty, Update for Program Coordinators. Congress of Neurological Surgeons, San Francisco, October, 2019

Faculty, University of Wisconsin Spine Forum, Madison, November, 2019

Faculty, Complication Avoidance and Management, Congress of Neurological Surgeons, Park City, February, 2020

Faculty, Plenary Session, Meritorious Service Awards, AANS/CNS Joint Section on Disorders of the Spine, Los Vegas, NV, March, 2020

Invited Speaker, Young Neurosurgeons Dinner, AANS/CNS Joint Section on Disorders of the Spine, Los Vegas, NV, March, 2020

Moderator, Training paradigms for spine surgeons. AANS/CNS Joint Section on Disorders of the Spine, Los Vegas, NV, March, 2020

Discussant, Kuntz Abstract Award Winners, AANS/CNS Joint Section on Disorders of the Spine, Los Vegas, NV, March, 2020

Virtual Visiting Professor, Congress of Neurological Surgeons, April, 2020

Faculty, Just in Time Information for Program Directors, Society of Neurological Surgeons, May, 2020

Visiting Professor, Mayo Clinic Scottsdale, February, 2021

Invited Speaker and Faculty, Brazilian Congress of Spine Surgery, March, 2021

Virtual Visiting Professor, Department of Neurosurgery, University of Texas, Austin, June, 2021

Invited Speaker, Fridays with Friedlander, Pittsburgh, PA, July, 2021

Faculty, Plenary Session, Meritorious Service Awards, AANS/CNS Joint Section on Disorders of the Spine, San Diego, July, 2021

Faculty, Special Course, Early Career Advice for Spine Surgeons, AANS/CNS Joint Section on Disorders of the Spine, San Diego, July, 2021

Faculty, Plenary Session, The Future of Spine Surgery. AANS/CNS Joint Section on Disorders of the Spine, San Diego, July, 2021

Faculty, Lumbar Fusion Guidelines, Congress of Neurological Surgeons Meeting, Austin, TX, October, 2021

Faculty, Residency Challenges in 2021. Congress of Neurological Surgeons Meeting, Austin, TX, October, 2021

Faculty and Course Director, Complications in Spinal Surgery. Congress of Neurological Surgeons Meeting, Austin, TX, October, 2021

Faculty, CNS Spine Complications Course, Park City, February, 2022

Visiting Professor, Rutgers University Neurosurgery, February, 2022

Faculty, Young Neurosurgeons Course, AANS/CNS Spine Summit, Las Vegas, NV, February 2022

Faculty, Cahill Controversies Session, AANS/CNS Spine Summit, Las Vegas, NV, February 2022

Faculty, Plenary Session: Wellness. AANS/CNS Spine Summit, Las Vegas, NV, February 2022

Invited Speaker, Inter-Urban Neurosurgical Society, Chicago, March, 2022

Moderator, Sonntag Symposium, AANS, Philadelphia, April, 2022

Faculty, Spinal Complications, AANS, Philadelphia, April, 2022

Invited Faculty and Keynote Speaker, NSpine, Porto, Portugal, May 2022

Moderator, American Academy of Neurological Surgeons, Colorado, September, 2022

Course Director, My Worst Spinal Complications, Congress of Neurological Surgeons, San Francisco, October, 2022

Visiting Professor, Penn State University Department of Neurosurgery, Harrisburgh, PA, November, 2022

Visiting Professor, Tufts/New England Baptist Department of Neurosurgery, Boston, MA, December, 2022

Faculty, Congress of Neurological Surgeons Spine Complications Course, Park City, January, 2023

Faculty, University of Wisconsin Spine Care Symposium. March, 2023

Senior Examiner, American Board of Neurological Surgeons, May, 2023

Faculty, Complications and Complication Avoidance, Congress of Neurological Surgeons, September, 2023, Washington DC

Moderator, American Academy of Neurological Surgeons, Sea Island GA, October, 2023

Senior Examiner, American Board of Neurological Surgeons, November, 2023

Senior Examiner, American Board of Neurological Surgeons, January, 2024

Faculty, UW Spine Symposium and Skills Lab, Madison, WI, February, 2024

Faculty, DSPN/CSRS Special Course on Management of Cervical Radiculopathy, Las Vegas, February, 2024

Faculty, The Business of Spine Surgery, Las Vegas, February, 2024

Senior Examiner, American Board of Neurological Surgeons, May, 2024

Faculty, Master Class in Spine Surgery, Swedish American Seattle, July, 2024

Moderator, President's Forum, North American Spine Society, Chicago, September, 2024

Faculty, Complications and Complication Avoidance, Congress of Neurological Surgeons, Houston, September, 2024

Moderator, Spine Research, American Academy of Neurological Surgeons, Half Moon Bay, October, 2024

Moderator, UW Neurosurgery Mini Symposium, Madison, October, 2024

Senior Examiner, American Board of Neurological Surgeons, October, 2024

Honored Guest, Neurosurgery Master Class, Dubai, November 2024
Faculty, Cahill Debates, AANS/CNS Joint Section on Disorders of the Spine, Tampa Florida, February, 2025
Visiting Professor, Mayo Clinic Scottsdale, March 20-21, 2025
Faculty, CNS Spine Complications Course, Park City, Utah March 27-30
Faculty, UW Spine Symposium, Madison, WI April 4, 2025
Visiting Professor, Mayo Clinic Florida Jacksonville, May, 2025
Honored Guest, New York State Neurosurgical Society, NY, NY May, 2025
Honored Guest, Sixth Annual Neurosurgery Advances and Innovations in Spine Disorders, University of Connecticut, June, 2025
Honored Guest, AO Spine Symposium, Innovation in Spine Surgery, Campos do Jordao, Brazil, September 8-9. 2025
Honored Guest, Brazilian Neurosurgical Society, Campos do Jordao, Brazil, Sept. 10, 2025,
Visiting Professor, Department of Neurological Surgery, Mayo Clinic, Jacksonville, FL, September 28-29, 2025
Honored Guest, Congress of Neurological Surgeons, Los Angeles, CA, Oct 11-15, 2025
Faculty, Swimming with the Sharks, Congress of Neurological Surgeons, Los Angeles, CA, Oct 11, 2025
Moderator, American Academy of Neurological Surgeons, Athens, Greece, Oct 20-25, 2025
Senior Examiner, American Board of Neurological Surgeons, Phoenix, November 8-10, 2025
Faculty, Wellness and Self Preservation in Spine Surgery, Joint Section on Disorders of the Spine Meeting, Phoenix, AZ, February, 2026
Moderator, Treatment of Degenerative Spine Disease, Inter-Urban Society Meeting, Chicago, IL, March, 2026
Visiting Professor, Department of Neurological Surgery, Columbia University School of Medicine, May, 2026
Faculty, Regis W. Haid Symposium: Tier 1 Operators in Spine, Business, and Special Forces. American Association of Neurological Surgeons, San Antonio, TX, May, 2026

Local and Regional Education and Service:

Residency Program Director, Department of Neurosurgery, University of Wisconsin School of Medicine and Public Health, 2012-present
Co-Director, Neurosurgery Spine Surgery Program, 1999-present
Representative, Neurosurgery, Council of Faculty, 2023-present
Instructor, Directed study in Neuroscience Research (Neuroscience 682) 2011-2018
Alternate Member, UWMC Medical Board, 2015-2018
University of Wisconsin Faculty Senate Representative, Neurosurgery, 2015 to 2016
Member, University of Wisconsin Hospital Credentials Committee, 2009-2018

Member, UWHC Operating Room Surgeons Advisory Committee, 2009- present
Chairman, Neurosurgical Resident Academic Achievement Award Committee, 2001- present
Chairman, Neurosurgical Faculty Teaching Award Committee, 2001- present
Member, University of Wisconsin School of Medicine and Public Health Council of Faculty Development. 2017-present
Member, University of Wisconsin Medical School Promotions Committee (Tenure track), (appointed position), 2011-2014 and 2017-2020
Course Director, University of Wisconsin School of Medicine Clinical Neuroscience Course, 2005-2012
Co-Course Director, Clinical Neuroscience Course (required M3 course for medical students), University of Wisconsin, 2001 - 2005
Member, University of Wisconsin Medical School Educational Policy Council (EPC), 2000-2003 (Appointed position)
Member, Academic Policy Council (APC), University of Wisconsin Medical School (elected position) 2003-2006
Member, Academic Policy Council, Appointed by University of Wisconsin School of Medicine Faculty Advisory Committee, 2010-2011, 2011-12
Member, University of Wisconsin Medical School Promotions Committee (CHS), (appointed position) 2004-2007
Chairman, University of Wisconsin Medical School Promotions Committee (Tenure track). 2012-2014
Member, Medical Board, University of Wisconsin Hospital, (elected position) 2005-2007, 2010-2012
Member, University of Wisconsin Medical Foundation Finance Committee (elected representative from District 3), 2008-2011.
Member, University of Wisconsin School of Medicine Faculty Advisory Committee, 2010-2013 (elected representative from the medical faculty)
Chairman, University of Wisconsin School of Medicine Faculty Advisory Committee, 2012-2013
Member, University of Wisconsin Hospital Accreditation Advisory Council, 2012-present
Member, Selection Committee for the Lily's Fund Fellow in Epilepsy Research, UWSMPH, 2011, 2012, 2013, 2017
Member, University of Wisconsin Hospital and Clinics Quality Council, 2011-2012
Member, University of Wisconsin School of Medicine Dean's Teaching Award Committee, 2010
Member, UWHC Capital Allocations Advisory Committee, 2010- present
Member, University of Wisconsin School of Medicine Task Force on Industry Conflict of Interest in the Clinical Setting, 2008-2009
Member, Curriculum Review Committee for M-1 Renal course, 2003
Chairman, Neuroscience Curriculum Review Committee, University of Wisconsin Medical School, 2002
Member, UWMF Administrative Services SubCommittee, UWMF Finance Committee, 2008-2010
Member, UW School of Medicine Honors and Awards Committee, 2008, 2009
Lecturer, Clinical Neuroscience Course (two 90 minute lectures given to all M3 medical students), 1999- present

Instructor and Coordinator for Neurosurgery, Patient, Doctor and Society Course (required course for all M1 and M2 students, 8-10 two hour meetings per semester), 1998-2003

Participant, Medical Education and Leadership Development Course, 1998-1999, University of Wisconsin

Member, University of Wisconsin Medical School Committee on Course Architecture, 2000-2001

Examiner, Year End Professional Skills Assessment, Neuroscience Station, (developed, administered, and coordinated neuroscience station) 1999-2002

Faculty, University of Wisconsin Nursing School advanced course for nurse practitioners. February, 2002, 2003, 2004, 2005, 2006

Faculty, Neurosurgical resident board review course, 1998-present (3-4 1 hour lecture or laboratory sessions each year)

Member, Ad Hoc Committee on Carotid Stenting, 2001-2003

Co-Founder and Director, Spinal Cord Injury, Regeneration, and Plasticity (SCIRP) work group, 2003-2006

Participant, Residency application program for M-3 students, March, 2003

Mentor, Caroline Schmitt, Medical Student working in lab (Shapiro Award Winner), 2003

Mentor, Rigoberto Marin, Medical Student working on clinical project (Shapiro Award Winner), 2003

Mentor, Jason Isaacson, Undergraduate student working in lab, 2003-2005

Faculty, Transitional Clerkship Program “Clinical Practice Guidelines” for M-3 students, July 7, 2003

Faculty, Comprehensive Pain Board Review Symposium, University of Wisconsin CME program, Madison, WI, July, 2003

Faculty, Spine Trauma Challenges and Considerations for the Neuroscience Nurse, Madison, WI, November, 2003

Mentor, Melkon Domburian, Medical Student working in lab (Shapiro Award winner), 2004.

Mentor, Nicholas Turner, Undergraduate Research Student scholar, 2004-2005, College of Letters and Sciences Apprenticeship Award winner, 2005

Mentor, Tiffany Gerovac, Undergraduate Research Student Scholar, 2004, 2005, 2006, Hilldale Scholarship Award winner, 2005, Trewartha Grant Recipient, 2006

Member, UWH In-Patient Medical Record Documentation Focus Group, January, 2005

Mentoring Committee, for Dr. J. George Thomas of Orthopedics and Rehabilitation, 2005-2012

Mentoring Committee, for Dr. David Niemann, Department of Neurosurgery, 2005-2012

Mentor, Undergraduate Research Symposium, April 2005

Lecturer, Molecular Mechanisms of Neuronal Death, Neuroscience Training Program Course, 2005

Mentor, Omar Al Hashimi, Medical Student and Shapiro Award Winner (2005)

Secretary, Wisconsin State Neurosurgical Society, 2005-2006

Mentor, Michael Steinmetz, Neurosurgery Spine Fellow, 2005-2006

Mentor, Zachary Siehoff, UW Undergraduate Research Scholar 2005-2007

Mentor, Bradley Allcock, UW Undergraduate Research Scholar 2005-2007

Mentor, Shannon McChesney, UW Undergraduate Research Scholar 2005-2007

Mentor, Jessica Tilghman, UW Undergraduate Research Scholar 2005-2007, Hilldale Award Winner 2007-2008

Mentor, Ami Patel, UW Undergraduate Research Scholar 2005-2009

Mentor, Espen Hesselberg, UW Undergraduate Research Scholar 2005-2007
Mentor, Nathaniel Brooks, Neurosurgical Resident, ABNS Board Review Tutor, 2006-2007
Mentor, Sharad Rajpal, Resident Research Rotation Supervisor, 2006-2007
Faculty Advisor, General Surgery Journal Club: Steroids and Spinal Cord Injury, January, 2006
Mentor, Ahmed Cheema, UW Medical Student Shapiro Award Winner, 2006
Mentor, Chris Seebruck, UW Medical Student Shapiro Award Winner, 2006
Mentor, Michael Boisen, UW Medical Student Shapiro Award Winner, 2006
Member, Dean's Teaching Award Selection Committee, 2007
Mentor, Clayton Sweeney, UW Undergraduate Research Scholar, 2007, 2008, 2009
Mentor, John Henry Cain, UW Medical Student Shapiro Award winner, 2007
Lecturer, UW Medical School, Neuroscience 731, April, 2007
Chairman, Mentoring Committee, Dr. Brian Walsh, Department of Neurosurgery, 2007-2008
Member, Bicycle-Pedestrian Subcommittee of the UW Campus Transportation Committee, 2007-2009
Chairman, Search Committee for Neuro-Critical Care Specialist, UW Department of Neurosurgery, 2007-2008
Member, Resident candidate review committee, UW Department of Neurosurgery, 2007-2008
Chairman, Mentoring Committee, Dr. Karl Sillay, UW. Department of Neurosurgery, 2007-present
Mentor, Francesca Anna Norante, UW Undergraduate Research Scholar, 2007-8
Mentor, Mohamed Nasereldin, UW Undergraduate Research Scholar, 2007-9
Mentor, Stephanie Marie Kumm, UW Undergraduate Research Scholar, 2007-2008
Vice President, Wisconsin State Neurosurgical Society, 2008-2009
Guest Lecturer, UW School of Medicine Neuroscience Student Interest Group, Feb, 2008.
Participant, UW School of Medicine Core Day: Preparing for the 3rd year. Feb, 2008.
Member, University of Wisconsin School of Medicine Curriculum Oversight Committee: Neuroscience Area, 2008-2009
Mentor, Hyung Kyung (Chloe) Lee, UW Undergraduate Research Scholar, Sophomore Honors Apprenticeship, Hilldale Scholar, University of Wisconsin, 2008, 2009
Mentor, Melissa Ramsey, UW Medical School Shapiro Scholar, 2008
Mentor, Shane Pearce, UW Medical School Shapiro Scholar, 2008
Participant, Clerkship Director's Retreat, December, 2008, Madison, WI
Chairman, Search committee for spine faculty, UW Department of Neurosurgery, 2008-2009
Mentor, Mostafa Ahmed, UW Medical School Shapiro Scholar, 2009, American Association of Neurology Scholarship Award Winner, 2009-2010
Mentor, Tera Hasbargen, UW Medical School Shapiro Scholar, 2009
Mentor, Amy Beth Mossman, UW Nursing Student, 2009
Mentor, Kevin King, UW Undergraduate Research Scholar, 2008-2010
Mentor, Crystal Montanez, UW Undergraduate Research Scholar, 2008-2010
Mentor, Rachel Ann Lester, UW Undergraduate Research Scholar, 2008-2010
Participant, Clerkship Director's Retreat, March, 2010, Madison, Wisconsin
Mentor, Evan Kreuger, visiting medical student, 2010
Mentor, Zach Clark, UW Medical School Shapiro Scholar, 2010
Mentor, Hanna Lynn Knurr, UW Undergraduate Research Scholar, 2010
Mentor, Michael J. Ruiz, UW Undergraduate Research Scholar, 2010
Mentor, Ross Squires, UW Undergraduate Research Scholar, 2010

Mentor, Mark Ehlers, UW Undergraduate Research Scholar, 2010, 2011
Mentor, Junhwa Kim, UW Undergraduate Research Scholar, 2010
Mentor, Lindsay Raab, UW Undergraduate Research Scholar, 2010
Mentor, Taehee Kim, UW Undergraduate Research Scholar, 2010-11
Mentor, Esther Li, UW Undergraduate Research Scholar, 2010-11
Mentor, Erin Lehman, UW Undergraduate Research Scholar, 2010-11, 2011-12
Mentor, Nayab Khan, UW Undergraduate Research Scholar, 2010-11
Mentor, Ruby Valadez, UW Undergraduate Research Scholar, 2010-11
Mentor, VJ Wesley, UW Undergraduate Research Scholar, 2010-11
Mentor, Nimrat Gill, UW Undergraduate Research Scholar, 2010-11
Mentor, Jeanet Ugalde, UW Madison Undergraduate Research and mentoring Award Recipient, 2011-2013
Mentor, Kevin King, Hilldale Scholarship Recipient, 2011-2012
Mentor, Dominic Schomberg, UW Medical School Shapiro Scholar, 2011
Mentor, Darryl Fields, UW Medical School Shapiro Scholar, 2011
Mentor, Nicandro Figuerida, Visiting Neurosurgeon from Brazil, September 2011-April, 2012
Mentor, Bryan Rynearson, Shapiro Scholar, University of Wisconsin School of Medicine, 2012
Mentor, Kassy Kirchner, UW Undergraduate Research Scholar, 2012
Mentor, Annika Deitermann, UW Undergraduate Research Scholar, 2012, 2013, 14
Mentor, Nayab Kahn URS Scholar, 2012, 2013, 2014
Mentor, Youhi Ghouse, URS Scholar, 2012
Mentor, Nimrat Gill, URS Scholar, 2012
Mentor, James Aksamit, URS Scholar, 2012
Mentor, Steven Siegel, URS Scholar, 2012
Mentor, Dong Ho Jeon, URS Scholar, 2012
Mentor, Krissy Obiakor, URS Scholar, 2012
Mentor, Ruby Valadez, URS Scholar, 2012
Chairman, mentoring committee, Dr. Julie Olson, Department of Neurosurgery, 2011-2014
Lecturer, Introduction to Public Health, PHS 781, October, 2012
Mentor, Andrew Crowell, Undergraduate Research Scholar, 2012-15
Mentor, H.T. Kim, Undergraduate Research Scholar, 2012-2013
Mentor, Marcio Cardoso, Visiting Neurosurgeon from Brazil, 2012
Chairman, mentoring committee, Dr. Azam Ahmed, Department of Neurosurgery, 2012-present
Member, Thesis Committee, H. T. Kim
Member, Grant Review Committee, Lily's Fund, University of Wisconsin School of Medicine, 2013-14
Mentor, Lisa Liu, Undergraduate Research Scholar, 2013-2015
Mentor, Alice Wnuk, Undergraduate Research Scholar, 2013-2015
Mentor, Kimberly Xia, Undergraduate Research Scholar, 2013-2014
Mentor, Alan Webster, Undergraduate Research Scholar, 2013-2014
Mentor, Janki Patel, Undergraduate Research Scholar, 2013-2014
Mentor, Carrie Ann Nacht, Undergraduate Research Scholar, 2013-15
Mentor, Douglas Gonzales, MD, visiting neurosurgery resident from Brazil, 2013
Mentor, Helder Ribeiro, visiting medical student from Brazil. 2014
Mentor, Amir Dadgostar, visiting neurosurgeon from Iran, 2014
Mentor, Dominic Schomberg, UW Medical School Special Student, 2014

Mentor, Pryanka Sikka, Undergraduate Research Scholar, 2015
Mentor, Kush Patel, Undergraduate Research Scholar, 2015
Mentor, Suyog Buttar, Undergraduate Research Scholar, 2015
Mentor, Therese Howe, Undergraduate Research Scholar, 2015
Mentor, Vishavdeep Singh, Undergraduate Research Scholar, 2015
Mentor, Patrick Moran, Undergraduate Research Scholar, 2015
Mentor, Jillian Joslin, Undergraduate Research Scholar, 2015
Mentor, Annika Deitermann, Undergraduate Research Scholar, 2015
Mentor, Neel Kapoor, Undergraduate Research Scholar, 2015
Mentor, Patricia Yutuc, Undergraduate Research Scholar, 2015
Mentor, Alexandra Razdin, Undergraduate Research Scholar, 2015
Mentor, Abhishek Chopra, Undergraduate Research Scholar, 2015
Chairman, University of Wisconsin Department of Neurosurgery search committee for neuro-critical care, 2022-present
Chairman, University of Wisconsin Department of Neurosurgery search committee for spine faculty, 2023- present

Peer Review Activities:

Editor:

The Spine Journal: Focus Issue on Cervical Myelopathy
 November, 2006

Series Editor

Neurosurgery Clinics of North America, 2015- present

Principal Editor/Deputy Editor/Section Editor:

Neurosurgery Clinics of North America, Controversies in Brain and Spinal Surgery, October, 2017

Neurosurgery, 2009-2014, Editorial Advisory Board 2014-present

The Spine Journal 2004-2011 (Journal of the North American Spine Society)

Self Assessment in Neurological Surgery (SANS Wired).

April, 2020

Editorials, Letters, and other Publications

1. Farley J, **Resnick DK**, Auerbach S: PKC closes single voltage dependent potassium channels in *Hermissenda* type B photoreceptors. Neuroscience Abstracts 13: 389, 1987.
2. **Resnick DK**: The role of neurosurgeons in medical student education. Letter to the editor, in response. Journal of Neurosurgery 92: 739, 2000.
3. **Resnick DK**: The “Infolded” Fellowship. Bulletin for the Young Neurosurgeons Committee, American Association of Neurological Surgeons, Park Ridge, IL, 2001.
4. **Resnick DK**: “Musculoskeletal Imaging: Case Review Series.” Book review for the Spine Journal, 2002.
5. **Resnick DK**: “Fundamental Neuroscience, 2nd Edition.” Book review for the Spine Journal, 2002.
6. **Resnick DK**, Benzel EC: C1-2 Screw Fixation, Letter in Response. Neurosurgery, 2002.
7. **Resnick DK**: 2004 Meeting of the Joint Section of the Spine and Peripheral Nerves. Neurosurgery News 4(6): 13, 2003.
8. **Resnick DK**: Lumbar fusion guidelines project. Neurosurgery News 4(6): 12, 2003.
9. **Resnick DK**: Craniocervical junction deformity and syrinx. Consultant’s Corner, Neurosurgery News 5(1): 8, 2004.
10. **Resnick DK**: Highlights of the 2004 Spine Section Meeting. Neurosurgery News 5(2): 9, 2004.
11. **Resnick DK**: “Techniques for aspirating bone marrow for use in spinal surgery.” Editorial Comment, Neurosurgery 57: ONS 289, 2005.
12. **Resnick DK**: “Surgical management of osseous hemangioblastoma of the thoracic spine.” Editorial Comment, Neurosurgery 57: E405, 2005.

13. **Resnick DK:** “Spinal arachnoid cyst related to non-aneurysmal perimesencephalic subarachnoid hemorrhage.” Editorial Comment, Neurosurgery 57: E817, 2005.
14. **Resnick DK:** “Artificial pedicle screw reconstruction of the cervical spine after lateral paramedian transpedicular approach for lesions of the ventral cervical spinal canal.” Editorial Comment, Neurosurgery 57: 285, 2005.
15. **Resnick DK:** “Anatomic Analysis of the Transforaminal Ligament in the Lumbar Intervertebral Foramen.” Editorial comment, Neurosurgery 57: ONS41, 2005.
16. Park SW, Sundaresan R, Bowen KK, Satriotomo I, Miranpuri G, Elias R, **Resnick DK**, Vemuganti R. PPAR-gamma agonists prevent stroke and spinal cord injury induced neurological dysfunction. Society for Neuroscience Abstracts 31:97.7, Nov 2005
17. **Resnick DK:** Publication comment for: “Percutaneous Endoscopic Interlaminar Discectomy for Intracanalicular Disc Herniations at L5-S1 using a Rigid Working Channel Endoscope.” Neurosurgery 58: ONS68, 2006.
18. **Resnick DK:** Clinical results with the ProDisc. Editorial comment in Year Book of Neurology and Neurosurgery, Elsevier Mosby, Philadelphia, 2005.
19. **Resnick DK:** Point of View: The Relationship between DISH and cerebrovascular disease. Spine31(8): E230, 2006
20. **Resnick DK:** National trends in surgical procedures for degenerative cervical spine disease. Editorial Comment, Neurosurgery 57: 758, 2005.
21. **Resnick DK:** Bone Graft Extenders. Letter to the Editor, in response, Journal of Neurosurgery:Spine 3: 332-333, 2005
22. **Resnick DK:** Bone Morphogenetic Protein Gene Therapy Using A Fibrin Scaffold For A Rabbit Spinal-Fusion Experiment. Editorial Comment, Neurosurgery 58: 380, 2006.
23. **Resnick DK:** A focus on member needs: the CNS University of Neurosurgery. Neurosurgery News, Winter, 2005.
24. **Resnick DK:** “Ossification of the Posterior Longitudinal Ligament: an Update on its Biology, Epidemiology, and Natural History” Editorial comment, Neurosurgery 58: 1039, 2006
25. **Resnick DK:** “Minimally Invasive Lateral Mass Screw Fixation in the Cervical Spine: Initial Clinical Experience with Long-Term Follow-up.” Editorial comment, Neurosurgery 58: 912, 2006
26. **Resnick DK:** “Minimally Invasive Atlanto-Axial Fixation with a Polyaxial Screw-Rod Construct: Technique and Case Report.” Editorial comment, Neurosurgery 58: ONS E375, 2006.
27. **Resnick DK:** “Clinical and radiological analysis of ossification of the anterior longitudinal ligament causing dysphagia and hoarseness.” Editorial comment, Neurosurgery 58: 918, 2006.
28. **Resnick DK:** MRI-based morphologic predictors of SPECT positive facet arthropathy in patients with axial back pain. Editorial comment, Neurosurgery 59: 155, 2006.
29. Vemuganti R, Park S, Miranpuri G, **Resnick DK**. PPAR γ induction prevents spinal cord injury-induced neuronal damage and motor dysfunction in rats. J Neurochem 96 (Suppl. 1): 52, March 2006
30. Rajpal S, **Resnick DK:** Book Review “Surgical Anatomy and Techniques to the Spine,” Kim, Henn, Vaccaro, and Dickman Eds. The Spine Journal 6: 725, 2006
31. **Resnick DK:** “Minimally Incisional Lumbar Fixation with Standard Instrumentation.” Editorial comment, Neurosurgery 59: ONS367, 2006

32. **Resnick DK:** Spinal Cord and Spinal Column Tumors. Book Review, Journal of Neurosurgery, 2006
33. **Resnick DK:** Magnetic resonance myelography for the identification of CSF fistula. Editorial comment, Neurosurgery, 2006.
34. **Resnick DK:** Spinal Intramedullary Histoplasmosis as the Initial Presentation of HIV Infection. Case Report. Editorial comment, Neurosurgery 59(5): 1143, 2006.
35. **Resnick DK:** Correlation of postmortem 9.4 tesla magnetic resonance imaging and immunohistopathology of the human thoracic spinal cord seven months after cervical spinal cord injury. Editorial comment, Neurosurgery, 59(3): 677, 2006.
36. **Resnick DK:** Endoscopic Resection of Thoracic Paravertebral and Dumbbell Tumors. Editorial comment, Neurosurgery 59: 1202, 2006.
37. **Resnick DK:** Thoracic deformity correction using an expandable titanium cage through a posterior approach. Editorial comment, Neurosurgery, 2007
38. **Resnick DK:** Mentoring residents in the laboratory. Neurosurgical Quarterly, Fall, 2007.
39. **Resnick DK, Sharan A:** The CNS University of Neurosurgery. Neurosurgical Quarterly, Spring, 2007
40. **Resnick DK:** Significance of the Double-Layer and Single-Layer Signs in the Ossification of the Posterior Longitudinal Ligament (OPLL) of the Thoracic Spine. Editorial Comment, Neurosurgery, 2007.
41. **Resnick DK:** Minimally Invasive Insertion of Syringosubarachnoid Shunt for Post-Traumatic Syringomyelia: Technical Report. Editorial Comment, Neurosurgery 61: ONS3331, 2007.
42. **Resnick DK:** Minimally Invasive Lumbar Discectomy in Obese Patients. Editorial Comment, Neurosurgery 61: 544, 2007
43. **Resnick DK:** Segmental Polymethylmethacrylate-Augmented Pedicle Screw Fixation in Patients with Bone Softening Due to Osteoporosis and Metastatic Tumor Involvement A Clinical Evaluation. Editorial Comment, Neurosurgery 61: 538, 2007
44. **Resnick DK:** Pseudotumoral presentation of a cervical extracranial vertebral artery aneurysm in Neurofibromatosis type 1. Editorial Comment, Neurosurgery, 2007.
45. **Resnick DK:** Atlanto-Occipital Dislocation Part 2: The Clinical Usage of (Occipital) Condyle -C1 Interval, Comparison with Other Diagnostic Methods, and the Manifestation, Management and Outcome of Atlanto-Occipital Dislocation in Children. Editorial Comment, Neurosurgery 61: 1015, 2007.
46. **Resnick DK:** Multi-level anterior cervical fusion using a collagen-hydroxyapatite matrix with iliac crest bone marrow aspirate: An eighteen month follow-up study. Editorial Comment, Neurosurgery 61: 971, 2007.
47. **Resnick DK:** Cervical crossing laminar screws: early clinical results and complications. Editorial Comment, Neurosurgery 61: ONS 314, 2007.
48. **Resnick DK:** Resorbable anterior cervical plates for single level degenerative disc disease. Editorial Comment, Neurosurgery 61: ONS309, 2007
49. **Resnick DK:** Conflict of Interests: Education and the ACCME. Neurosurgical Quarterly, Winter, 2007.
50. **Resnick DK:** Book Review: "Surgical management of spinal cord injury." A.P. Amar ed., Blackwell Publishing, Malden MA, 2007. Neurosurgery, in press.
51. **Resnick DK:** CSF related complications with autologous duraplasty and arachnoid sparing in Chiari type I malformation. Editorial Comment, Neurosurgery 62: ONS160, 2008

52. **Resnick DK:** Cervical Spondylotic Myelopathy: Complications and Outcomes After Spinal Fusion, Editorial Comment, Neurosurgery, 2007
53. **Resnick DK:** Standard Open Microdiscectomy versus Minimal Access Microdiscectomy - Results of a Prospective Randomized Study. Editorial Comment, Neurosurgery 61: 549, 2007
54. **Resnick DK,** Kaiser MC, Fehlings M, McCormick PC: Therapeutic Hypothermia and Traumatic Spinal Cord Injury: A Position Statement from the AANS/CNS. Online publication at www.spinection.org.
55. **Resnick DK:** Standard Open Microdiscectomy versus Minimal Access Trocar Microdiscectomy - Results of a Prospective Randomized Study. Editorial Comment, Neurosurgery, in press, 2007.
56. **Resnick DK:** Face-Off: The relationship between neurosurgery and industry primarily represents a conflict of interest. AANS Neurosurgeon 16(4):10-11, winter 2007- 2008.
57. **Resnick DK:** Cervical Spondylotic Myelopathy: Complications and Outcomes After Spinal Fusion. Editorial Comment, Neurosurgery 62:461-462, 2008.
58. **Resnick DK:** The translaminar approach to lumbar disc herniations impinging the exiting root. Editorial Comment, Neurosurgery 62: ONS 178, 2008.
59. **Resnick DK:** Modifications of the Transoral Approach to the Craniovertebral Junction:Anatomical Study and Clinical Correlations. Editorial Comment, Neurosurgery 62: ONS 154, 2008.
60. **Resnick DK:** How to stay ahead of the curve: CNS University. CNS Quarterly, page 19, Winter 2008.
61. **Resnick DK:** Correction of late traumatic thoracic and thoracolumbar kyphotic spinal deformities using posteriorly placed intervertebral distraction cages. Editorial Comment, Neurosurgery 62: ONS 172, 2008.
62. **Resnick DK:** Outcomes Research in Spinal Surgery. CNS Quarterly, Spring, 2008
63. **Resnick DK:** En bloc total sacrectomy performed in a single stage through a posterior approach. Editorial Comment, Neurosurgery 63: ONS120, 2008.
64. **Resnick DK:** Delayed Implantation of Intramedullary Chitosan Channels Containing Nerve Grafts Promotes Extensive Axonal Regeneration after Spinal Cord Injury. Editorial Comment, Neurosurgery, in press, 2008.
65. **Resnick DK:** Staged Operation for Huge Cervical Intramedullary Schwannoma: Report of Two Cases. Editorial Comment, Neurosurgery 62: ONS 460, 2008
66. **Resnick DK:** Minimally Invasive Surgical Treatment of Bertolotti's Syndrome: A Case Report and Review of the Literature. Editorial Comment, Neurosurgery 62: ONS 455, 2008
67. **Resnick DK:** Exploration and decompression of the spinal canal using split laminotomy and its modification, the "archbone" technique. Editorial Comment, Neurosurgery 62: ONS 432, 2008
68. **Resnick DK:** Open reduction of C1-C2 sublaxation using C1 lateral mass and C2 translaminar screws: Technical report and case illustration. Editorial Comment, Neurosurgery 63: ONS99, 2008
69. **Resnick DK:** Role of Anti-fibrotic Cytokine Interferon-Gamma in Prevention of Postlaminectomy Peridural Fibrosis in Rats. Editorial Comment, Neurosurgery 62: 1358, 2008
70. **Resnick DK:** Preface to Spinal Deformity, Neurosurgery 63: A3-A4, 2008

71. **Resnick DK:** Update on the Spine Section. CNS Quarterly, Winter, 2008-2009
72. **Resnick DK:** Informed Consent and Clinician Accountability. Book Review for Journal of Neurosurgery, 2008
73. **Resnick DK:** Biomechanical consequence of cervical spondylectomy versus corpectomy. Editorial comment, Neurosurgery 63: ONS308, 2008
74. **Resnick DK:** Obesity and self-reported outcome after minimally invasive lumbar spinal fusion surgery. Editorial Comment, Neurosurgery, in press, 2008
75. **Resnick DK:** Treatment of remote type II axis fractures in the elderly: feasibility of anterior screw fixation. Editorial Comment, Neurosurgery 63: 1151, 2008
76. **Resnick DK:** Preoperative assessment of the recurrent laryngeal nerve in patients with cervical vertebra fracture- a report of two cases. Editorial Comment, Neurosurgery 64: 191, 2009
77. **Resnick DK:** U-shaped sacral fracture and lumbosacral dislocation due to a shotgun injury: case report. Editorial Comment, Neurosurgery 64: 193, 2009
78. **Resnick DK:** Giant cell ependymoma of the thoracic spine: Case report and literature review. Editorial Comment, Neurosurgery, in press, 2009
79. **Resnick DK:** Spinal meningioma surgery in elderly patients with paraplegia or severe paraparesis: A multicenter study and literature review. Editorial Comment, Neurosurgery 64: 509-510, 2009
80. **Resnick DK:** Minimally Invasive Posterolateral Thoracic Corpectomy: Cadaveric Feasibility Study and Report of 4 Clinical Cases. Editorial Comment, Neurosurgery 64: 753, 2009
81. **Resnick DK:** Use of Axial and Subaxial Translaminar Screw Fixation in the Management of Upper Cervical Spinal Instability in a Series of Seven Children. Editorial Comment, Neurosurgery 64: 739, 2009
82. **Resnick DK:** MRI Findings of Subsequent Fractures after Vertebroplasty. Editorial Comment, Neurosurgery 64: 744, 2009
83. **Resnick DK:** Transplanted bone marrow stromal cells promote axonal regeneration and improve motor function in rat spinal cord injury model. Editorial Comment, Neurosurgery, 2009
84. **Resnick DK:** Trans-laminar versus pedicle screw fixation of C2: Comparison of surgical morbidity and accuracy of 313 consecutive screws. Editorial Comment, Neurosurgery, in press, 2009
85. **Resnick DK:** Transient focal spinal cord hyperemia after resection of spinal meningioma - Report of two cases. Editorial Comment, Neurosurgery 64: 1198, 2009
86. **Resnick DK:** Analysis of complications in patients treated with the X-Stop IPD system. Proposal for a novel anatomical scoring system for patients selection and review of the literature. Editorial Comment, Neurosurgery 65: 199, 2009
87. **Resnick DK:** Media and Neurosurgery. CNS Quarterly, Summer, 2009
88. **Resnick DK:** Evidence, Appraisal, and Advocacy: AANS/CNS JSSPN Chairman's Address. CNS Quarterly, Summer, 2009
89. **Resnick DK, Steinmetz MP:** Pitfalls in the interpretation of medical evidence. Discussed in Weiner BK: On confounders known and unknown. The Spine Journal 9: 924-925, 2009
90. **Resnick DK:** Improved back pain with operative and nonoperative treatment in adults with scoliosis. Editorial Comment, Neurosurgery 65: 87, 2009

91. **Resnick, DK:** Large scale cranial bone regeneration using ex vivo replication defective adenoviral mediated BMP-2 transfected bone marrow stromal cell and composite materials. Editorial Comment, Neurosurgery, in press, 2009
92. **Resnick DK:** Minimally invasive resection of intramedullary ependymoma: a case report and literature review. Editorial Comment, Neurosurgery, in press, 2009
93. **Resnick DK:** Digital imaging versus plain films: cost savings and safety considerations. Editorial, The Spine Journal (12): 1035-1036, 2009

Masters Thesis:

The Role of Cyclooxygenase 2 in Acute Spinal Cord Injury.
Defended on June 12, 1997.
