

Monthly Update

7 -August 2018

REMINDER!

Monthly Coordinator Call

The next coordinator call is scheduled for **Thursday, August 16th 10:30am.**

Neuro Teleconference Line: USA Toll-Free: (877) 848-7030

Access Code: 3386580

Enrollment Update (as of 08/06/2018)

- CREST 2 – 1112/2480
- ARCADIA – 59/1100 randomized; 207/4400 consented/not randomized
- CREST-H – 10/500

Steering Committee Call

*Steering Committee Calls are a requirement for all NIH StrokeNet RCCs
(One representative per RCC required)*

The next Steering Committee call is scheduled for **8-August, 2018 at 12 noon ET.**

Dr. Adnan Qureshi, University of Missouri, will present the CASH proposed study. Look for an Outlook invitation from Jeanne Sester.

To join the meeting: <https://nihstrokenet.adobeconnect.com/steering/>

Please enter as a guest, then your first and last name or your email address.

To take part in the audio you MUST dial in: Dial-In Number: (877) 621-0220 Passcode: 434578

Just a reminder, minutes from all Steering Committee calls can be accessed via the www.nihstrokenet.org website. After log in, click on the "Minutes" tab, then at the dropdown menu, select "Steering Committee".

Grand Rounds

Grand Rounds are a requirement for the NIH StrokeNet Trainees, however all are welcome to participate.

Presentation: Cerebral Edema after Acute Brain Ischemia – Kevin Sheth, MD
Yale School of Medicine

When: **Thursday, August 30, 2018 - 4:00 PM ET**

To join the meeting: <https://nihstrokenet.adobeconnect.com/grandrounds/> Please enter as a guest, then your email address or complete name. To take part in the conversation you must dial in, 1 (877) 621-0220 Passcode Number: 190825

At the end, please find the latest bi-weekly StrokeNet newsletter and the dashboard.

NIH StrokeNet Coordinator Webinar:

Topic: The SLEEP SMART Study

Presenters: **Kayla Gosselin, University of Michigan**

Joelle Sickler, University of Cincinnati

SLEEP SMART PROJECT MANAGERS

Moderator: Dave Haney, Case Western Reserve

When: **Wednesday, August 22, 2018 – 1.30pm ET**

To join Coordinator Webinars: <https://nihstrokenet.adobeconnect.com/coordinator/> Please enter as a guest, then add your first and last name or email address. For Audio: Dial-In Number: (877) 621-0220 Passcode 434578.

Please send suggestions for future coordinator webinar ideas to beckmare@ucmail.uc.edu.

Important updates!!!

- **Coming up 5 years of NIH StrokeNet**

It is hard to believe but 07/31/2018 marks five years for the NIH StrokeNet. This means that new contracts (Master Trial Agreements and Reliance Agreements) will have to be signed again.

Please make sure that you have your current FWA, signing official, PI, contact person, and all of your clinical performance sites ready when contracts will be send out. We are hoping for a fast turnaround as several new trials are starting around the same time.

Remember for each trial you will receive a separate Protocol Trial Agreement. This is a heads up for a busy fall!

Trial Proposal Status:

- **MOST update – Ope Adeoye**

MOST has received Notice of Award, currently working on completing site selection and regulatory documents. Aiming for first enrollment in the Fall.

- **Sleep Smart update – Devin Brown**

Notice of Award imminent, currently working on completing site selection and regulatory documents. Aiming for first enrollment late Fall.

- **TRANSPORT 2 update – Wayne Feng/Gottfried Schlaug**

The study team is currently finalizing the protocol. Site selection survey completed.

Project Name	Protocol PI	Prevention/ Acute/Recovery	Status Update
CAPTIVA (CRISIS)	Brian Hoh	Prevention	Possibly November 2018 submission
FURRTHER	Bernadette Boden-Albala	Prevention	Waiting on summary statement to determine next steps

Biweekly Update 3-August 2018

<http://nihstrokenet.org/coming-events>

StrokeNet Enrollment Update

CREST 2 – 1112/2480

CREST H – 10/500

ARCADIA – 59/1100 randomized; 207/4400 consented

StrokeNet Trial Updates

ARCADIA

As the summer season winds down the ARCADIA trial continues to ramp up!

As of August 2nd we have 207 subjects consented, 82 eligible for randomization and 59 randomized!

United Hospital in St. Paul MN is leading the way with fourteen subjects consented! University of Iowa and United Hospital are tied for first place in randomizations, with each having 6 randomized subjects!

Thank you to all sites that have consented and randomized patients recently. Overall, we remain a bit behind our planned pace: our monthly randomization numbers dropped slightly last month from 19 (June) to 17 (July).

We have 79 sites so far that are released to enroll and 56 sites have consented at least one patient. On the flip side, that means that 23 sites have not yet consented anyone. If you have not consented any subjects please redouble your efforts to screen for those ESUS subjects. If you are unsure about any of the inclusion/exclusion criteria or just want to talk through your screening process with our team we will be happy to review this with you and offer our support. We know the patients are out there!

From the CREST-2 Clinical Coordinating Center:

1112 randomizations (566 CEA, 546 CAS)
41 in **July** (28 CEA, 13 CAS)
116 active centers of which **49** are StrokeNet Sites

Congratulations

on reaching 40
randomizations for
the month of July!

Congratulations to these CREST-2 StrokeNet Sites for randomizing since the last update in July!

Site	June	Overall Total
Kaiser Permanente, Los Angeles	1	19
Massachusetts General Hospital	1	17
University of Iowa Hospitals & Clinics	1	11
University of Texas, Southwestern	1	3

We had 3 more sites green lighted in the last 2 weeks and 3 more enrollments, bringing our total to 19 sites and 10 patients enrolled. Welcome to USC, Overlake Medical Center and Yale. Thanks especially to Michigan Vascular who have enrolled 2 CREST-H patients and UPMC who is working on their 4th! StrokeNet sites close to green-lighting include Intermountain, VA Puget Sound, Huntsville, U Wisconsin, Kaiser Los Angeles, Weill Cornell and Mercy St Louis. In order to meet our recruitment goals we need to get all sites who are in the onboarding process to complete their regulatory documents, upload their test images, and sign their subcontracts.

> 19 sites green lighted, 10 patients enrolled

- Columbia University (1 patient enrolled)
- UPMC Presbyterian Hospital (3 patient enrolled)
- North Central Heart, SD (1 patient enrolled)
- University of Utah, UT
- Houston Methodist
- University of Pennsylvania
- University of Washington, Harborview
- University of Iowa (1 patient enrolled)
- Medical University of South Carolina
- SUNY Buffalo (1 patient enrolled)
- Mayo Clinic, Rochester (1 Patient enrolled)
- Northwestern University
- Michigan Vascular (2 patients enrolled)
- Tennova Turkey Creek
- UCLA (7/16/2018)
- Mayo Clinic, Florida
- Overlake
- USC/Keck
- Yale

KEEP IN MIND: CREST-H will shortly be allowing CT perfusion as an option in addition to MRI perfusion. This will permit more patients to be enrolled, and give sites an additional option to work with.

Steering Committee Call

*Steering Committee Calls are a requirement for all NIH StrokeNet RCCs
(One representative per RCC required)*

The next Steering Committee call is scheduled for **8-August, 2018 at 12 noon ET**.

Dr. Adnan Qureshi, University of Missouri, will present the CASH proposed study. Look for an Outlook invitation from Jeanne Sester.

To join the meeting: <https://nihstrokenet.adobeconnect.com/steering/>

Please enter as a guest, then your first and last name or your email address.

To take part in the audio you MUST dial in: Dial-In Number: (877) 621-0220 Passcode: 434578

Just a reminder, minutes from all Steering Committee calls can be accessed via the www.nihstrokenet.org website. After log in, click on the "Minutes" tab, then at the dropdown menu, select "Steering Committee".

CIRB Corner

Congratulations to the Henry Ford Health System on receiving CIRB approval for ARCADIA with no reviewer comments returned on their initial submission. Way to Go!

NINDS News

RCCs are beginning to receive their NOAs. Please note: Any unobligated funds remaining at the end of NIH StrokeNet Year 5 should be documented on the final FFR as a carryover to the new Year 1 grant number. Please let us know if you have any questions.

Coordinator Webinar

*Coordinator Webinars are a requirement for the NIH StrokeNet RCC
Coordinators/Managers*

Topic: The Sleep SMART Study
Presenters: **Kayla Gosselin, University of Michigan**
Joelle Sickler, University of Cincinnati
Sleep SMART Project Managers
Moderator: Dave Haney, Case Western Reserve
When: **Wednesday, August 22, 2018 – 1:30 PM ET**

To join Coordinator Webinars: <https://nihstrokenet.adobeconnect.com/coordinator/> Please enter as a guest, then add your first and last name or email address. For Audio: Dial-In Number: (877) 621-0220 Passcode 434578.

Please send suggestions for future coordinator webinar ideas to beckmare@ucmail.uc.edu.

Professional Development Webinar

Professional Development webinars are a requirement for the NIH StrokeNet Trainees, however all are welcome to participate.

Presentation: How to Present Your Data – Dawn Kleindorfer, MD, University of Cincinnati

When: **Thursday, August 23, 2018 - 2:00 PM ET**

To join the meeting, please go to: <https://nihstrokenet.adobeconnect.com/pdw/>

Please enter as a guest, then your email address or complete name. To take part in the conversation you MUST dial in. 1 (877) 621-0220 - Passcode Number: 190825

Grand Rounds

Grand Rounds are a requirement for the NIH StrokeNet Trainees, however all are welcome to participate.

Presentation: Cerebral Edema after Acute Brain Ischemia – Kevin Sheth, MD
Yale School of Medicine

When: **Thursday, August 30, 2018 - 4:00 PM ET**

To join the meeting: <https://nihstrokenet.adobeconnect.com/grandrounds/> Please enter as a guest, then your email address or complete name. To take part in the conversation you must dial in, 1 (877) 621-0220 Passcode Number: 190825

StrokeNet Network Meetings and Important Info

The next NIH StrokeNet Network meeting will be held on Tuesday, 16-October, 2018, prior to the World Stroke Congress in Montreal. We will reimburse two people from each RCC one night room and tax, up to \$250. Each RCC may bring three participants; the venue is smaller than usual.

Below is the reservation link which offers Congress rates. **RSVPs were due 31-July**; if you have not yet RSVPd, please do so asap, as seating is very limited. Those on the waiting list will be contacted 6-August if space allows for their attendance. Please do not attend if you have not RSVPd; there will be *no extra seating*. RCC Managers/Coordinators will meet directly following the general session. Please contact Dave Haney (David.Haney@uhhospitals.org) if you have agenda items you would like to add.

Venue:

Palais des Congrès
301 Saint-Antoine West (Entrance opposite the Westin Hotel)
Montreal QC
H2Z 1H2

<https://hotel.kenes.com/en/congress/WSC18>

<http://www.world-stroke.org/meetings/world-stroke-congress>

Upcoming Conferences and Seminars

Stroke Symposium 2018

When: Friday, August 24, 2018
Where: Magovern Conference Center
Allegheny General Hospital
Pittsburgh, PA

Conference overview & intended audience

Stroke can steal your abilities, freedom, your life, unless you know how to strike back. Within minutes, brain cells begin to die and time is of the essence. Remembering **Balance Eyes Face Arms Speech Time** at start of stroke symptom onset is an integral part of **BE-FAST**.

Stroke is the fifth leading cause of death in the United States and results in significant disability and healthcare expenditures. Allegheny General Hospital is the region's first Comprehensive Stroke Center. Our goal is to identify, educate, and treat stroke patients with the highest level of care.

This symposium will provide health care professionals current, evidence-based practice knowledge across the continuum of stroke care. The course reviews all major topics of the examination and provides information regarding the latest guidelines and protocols for managing stroke patients.

Objective

- Explain latest updates and options of interventional therapies
- Discuss and review New Guidelines

- Review holistic approach of stroke care throughout the continuum
- Identify technological advances in acute care of the stroke patients
- Legal aspects of stroke care
- Stroke care from a patients perspective

Accreditation

Credits:

This conference has applied for 7.0 hours of continuing education through West Penn Hospital.

West Penn Hospital is an approved provider of continuing nursing education by the Pennsylvania State Nurses Association, an accredited approver by the American Nurses Credentialing Center commission on accreditation.

*For more information on these and other conferences and seminars, please see:

<http://nihstrokenet.org/in-the-news>

NIH StrokeNet Employment Opportunities

Georgetown University - Stroke/Vascular Neurologists

The Department of Neurology at MedStar Georgetown University Hospital is seeking neurologists with expertise in vascular neurology to join the Comprehensive Stroke Center at Washington Hospital Center.

Successful candidates will participate in the clinical activities and various clinical research and teaching activities of our stroke program – a teaching site for the Georgetown Neurology Residency Program and the NIH ACGME-certified vascular neurology fellowship program, a clinical research site for the NIH intramural stroke program and the NIH StrokeNet Clinical Trials Network.

Faculty appointment as Assistant or Associate Professor at the Georgetown University School of Medicine will be commensurate with experience, training and achievements.

Minimum requirements include an MD/DO, eligibility for medical licensure in the District of Columbia and Maryland, and board-eligible/board-certified in Vascular Neurology.

J-1 visas supported.

Applicants should send a letter of interest and CV to:

Amie Hsia, MD

Medical Director, Comprehensive Stroke Center at MWHC

Associate Professor, Georgetown University Department of Neurology

amie.hsia@medstar.net

Visit us at: <https://www.medstarwashington.org/our-services/mwhc-comprehensive-stroke-center/why-choose-us/our-team/>

Please share this with your clinical performing and satellite sites! Contact: Jamey Frasure, PhD, RN, Director | NIH StrokeNet Coordinating Center | frasuris@ucmail.uc.edu | 513-558-1742 <https://www.nihstrokenet.org>
